3 May 2024

Dear Valued Colleague,

32nd INTERMODAL AFRICA 2024

Exhibition and Conference

Tuesday 26 to Thursday 28 November 2024

The Kairaba Beach Hotel, Banjul, The Gambia

To provide a networking opportunity between foreign and local investment in West Africa maritime transport infrastructure, The Gambia Port Authority is delighted to host the 32nd Intermodal Africa, taking place at the five-star The Kairaba Beach Hotel, Banjul, The Gambia from Tuesday 26 to Thursday 28 November 2024.

Holding this event in Banjul, The Gambia will promote West Africa ports, shipping and transport logistics infrastructure to foreign investment and trade.

A two days Conference Programme will feature **25** world-class conference speakers addressing topical issues and challenges for West Africa's transportation and logistics infrastructure attended by a gathering of **350** senior executive harbour masters, harbour engineers, port engineers, maintenance supervisors and procurement decision makers together with the region's leading shippers, cargo owners, importers / exporters, shipping lines, freight forwarders, logistics companies, ports, terminal operating companies, railway operators, port equipment and services suppliers from countries throughout Africa.

There will be the commercial opportunity for a limited number of **50** exhibitors and sponsors to network directly with delegates at this major annual international maritime transport Exhibition and Conference trade event for Africa.

You are invited to reserve your first choice of exhibition stands on the Exhibition Floorplan and register a conference delegation while there is still some availability!

We look forward to welcoming you to our beautiful country and to your participation during the 32nd Intermodal Africa, taking place at the five-star The Kairaba Beach Hotel, Banjul, The Gambia from the Tuesday 26 to Thursday 28 November 2024

Yours sincerely,

Managing Director

Proven record of developing and implementing financial and operational controls that improve P&L scenario and competitively position firm. Experienced financial specialist with excellent analytical skills and results driven attitude. Using strong quantitative skills to build profitable relationships.

Yankuba Jallow
Managing Director, Maersk Gambia Limited, Republic of The Gambia

MBA professional with two decades of experience in the shipping industry, starting in IT, service delivery, human resources and Vendor Management across multiple locations. Skilled in leading high-performing teams across ocean and inland logistics operations, with a strong track record in business development and strategic growth

MEET THE SPEAKERS

Lamin Jawara

Director, Ship Registry and Seafarers Gambia Maritime Administration, Republic of The Gambia

Lamin Jawara is a Marine Engineer and a Research Fellow. His research work is focused on climate policy formulation, response and adaptation strategies in global shipping. His research work is affiliated to the World Maritime University and the Sasakawa Global Ocean Institute. He holds a MSc degree in Marine Technology with specialization in Technical Operation of Marine Systems from the Norwegian University of Science and Technology (NTNU). While at NTNU, he was also involved with StatOil on the developing, testing and characterizing renewable fuels as part of the European Emissions Reduction targets which was published as part of his MSc thesis. Mr. Jawara also acquired his BSc in Marine Engineering from the Regional Maritime University in Ghana in 2005 with an award for Best Engineering Graduate. Prior to this degree, he had received a Diploma in Marine Engineering from the same University in 2001.

Pape Oumar Badji

Managing Director, SMG Dry Port, Banjul, The Gambia

Pape Oumar is the Managing Director at SMG Dry Port, bringing over 18 years of expertise in shipping and terminal operations. He began his career at Maersk Line, where he significantly contributed to the SAP rollout across Africa. At Bolloré Africa Logistics, Pape managed the implementation of the ALFA ERP system and engaged with major shipping lines. His leadership experience includes serving as COO of APM Terminals Senegal, overseeing operations in Senegal and Mali. In his current role, he is dedicated to driving the strategic growth and operational excellence of SMG Dry Port.

Maksim Deberdeev

Chief Business Development Officer, SOLVO International d.o.o., The Netherlands

Maksim Deberdeev is an accomplished expert in business process automation with over 20 years of experience in IT across industries such as telecom and logistics. Since 2023, he has served as Chief Business Development Officer at SOLVO, where he leads global marketing and sales initiatives. Maksim brings hands-on expertise to optimizing operations in port terminals and logistics through smart automation solutions.

Junior Van Remortele

Sales Director, Big Trucks in the EMEA Region, Hyster Europe, The Netherlands

Junior van Remortele is a seasoned professional with over a decade of dedicated service at Hyster-Yale Group (HYG). Throughout his 12-year tenure, Junior has contributed significantly to the company's success through various roles encompassing Marketing & Communications, Product Development, Aftersales, Unit Sales, and Big Truck Sales. As the Sales Director for Big Trucks in the EMEA region, he is committed to guiding customers towards optimal material handling solutions. Junior's strategic approach ensures that each client receives a tailored solution that aligns with their unique requirements, including the selection of the right truck, truck options, and power solutions, all while keeping the customer's objectives at the forefront. His expertise and customer-centric philosophy have been instrumental in driving the Big Truck division's growth and customer satisfaction.

China Putri

Key Account OEM Specialties, Prysmian Kabel und Systeme GmbH, Germany

China Putri, Key Account for OEM Specialties, focusing on MRO Market in Cranes Cable

Dirk Schlameus

Product Manager, Dellner Bubenzer Germany GmbH, Germany

Dirk Schlameus is a mechanical engineering graduate with 17 years of experience in brake sales for DELLNER BUBENZER. He is the Product Manager for Disc and Drum Brakes and Sales Manager for the Middle East - Africa region.

Javier Cazin

Sales Manager – Africa, RAM Spreaders, Spain

Javier, RAM's Sales Manager for Africa, joined the company in 2020 after 5 years in the port industry. He is firmly focused on delivering the most cost-effective container handling solutions from RAM to ports and terminals in Africa. Before joining RAM, Javier worked at leading companies in the port industry. He was always dedicated to the African market, opening new markets and establishing a network of dealers and after-sales service. Since joining RAM, Javier has also been instrumental in providing customers with after-sales support delivering on-site practical and theory training.

Christophe Joubert

International Ports Deputy COO, Prodevelop, Spain

Christophe Joubert holds a PhD in Computer Science: Systems and Software, with over 15 years of experience in the port industry. He started as an analyst-developer, quickly growing as a project manager, and team leader, gaining broad expertise in creatively solving challenges at each project stage. As the Head of Research during 10 years, he contributed to top notch International R&D projects with leader ports in the world, such as Rotterdam, Antwerp, Hamburg and Piraeus. Recently promoted as Deputy COO for international ports, he successfully leads all the stages of the implementation of Port Solutions, such as PMIS and Just in Time systems, across the world with a particular focus on Africa and Europa.

MEET THE SPEAKERS

Wai Ling Hoi
Solutions Architect APAC, Kaleris, Singapore

Wai Ling is Solutions Architect for Kaleris with expertise in the Navis branded terminal operating solutions and suite of products. Prior to that she has worked in an international shipping line for 17 years in various operational positions in the local, regional and global offices.

Luciano Alvernaz
Global Sales Marketing Director, Yilport, Portugal

Luciano Alvernaz holds a degree in Nautical Sciences from the Merchant Marine Officers University in Rio de Janeiro, Brazil. He has been working in the shipping industry since 1997, and more recently served as the Regional Head of Operations and Procurement for the largest shipping lines in East Coast South America, Europe, and Africa. In June 2023, he joined YILPORT Holding as the Global Sales and Marketing Director, with responsibilities for the commercial activities in terminals within the YILPORT Portfolio.

Ousman M Jobarteh
Managing Director, Gambia Ports Authority, Republic of The Gambia

Mr. Ousman Jobarteh is the Managing Director of Gambia Ports Authority. Ousman holds an MSc in Port & Shipping Administration from the University of Wales, UK. He also holds a BSc Arts, French, Politics of Government, History University of Sierra Leone, Fourah Bay College, Sierra Leone. Prior of becoming the Managing Director of Gambia Ports Authority, he was the Clerk of Courts at the Supreme Court of The Gambia back in 1985. He then served as the Traffic Manager at Gambia Ports Authority in the early 90s and the subsequently the Director of Traffic Operations from year 2003 to 2012.

Georges Mba Asseko
Biologist and Head, Blue Economy Division, Africa Union Commission / DARBE Addis-Ababa, Federal Democratic Republic of Ethiopia

Georges MBA ASSEKO is a Biologist with an environmental background. He earned a Master of Science (M.Sc.) Degree in marine resources management in 1997 after a Bachelor Degree (B.Sc.) in Biology, both in Canada. He has more than 25 years of professional experience at Gabonese Fishery Department WWF, COREP, Economic Community of Central African States and continental level (FAO, AUDA-NEPAD, African Development Bank, and African Union). He also served as a consultant and has been leading studies for World Bank, African Union (AU), some regional organizations (COREP, ATLAFCO, etc.) and UN agencies (FAO and UNIDO). He has experience in managing projects and national agencies in fields of natural resources governance, policy reforms, law enforcement and community-based management. He recently led the negotiation of a new protocol with European Union in the framework of Gabon-EU fishery agreement and have trained African leaders in fisheries agreement negotiation in 2018 (Abidjan and Pretoria) and in 2022 (Monrovia) on behalf of ALSF/AfDB. He is regularly consulted by international organizations such as COREP, ECCAS, FAO, ICCAT, AU-IBAR and AUDA-NEPAD. He is the Head of Blue Economy Division at the African Union Commission in Addis-Ababa, Ethiopia.

Aneth Ruas Da Silva
Commercial Coordinator, Sociedade Gestora de Terminals, S.A (SOGESTER), Angola

With more than 20 years of experience in the transport and logistics sector, Aneth's trajectory was consolidated in shipping (Maersk Line, 2003-2014) and an additional 9 years of terminal experience, focus on service excellence and customer experience. Over the years, she have developed strategies that not only optimized operations and processes, but also boosted the sustainable growth of portfolios, always seeking lasting partnerships and win-win relationships. Aneth believes that success in the sector goes beyond operational efficiency – it lies in the ability to understand customer needs and offer solutions that add real value, ensuring results that benefit everyone involved. Her commitment is to create experiences that generate positive impact and strengthen partnerships based on trust and mutual success. With a strategic vision focused on innovation and continuous improvement, in transforming challenges into opportunities for growth, always seeking excellence in each project.
