**FUTURE
PLANS**

Expansion Plan Phase 4

A large bulk cargo ship is docked at a specialized terminal. A large gantry crane is positioned over the ship's deck, which is filled with numerous large, rectangular bulk cargo containers. The ship is blue and white, and the crane is yellow. The background shows a body of water and a distant shoreline. The text "Specialized Bulk Cargo Terminal" is overlaid in white on the image.

A high-angle, close-up photograph of a large array of solar panels. The panels are dark blue with a grid of silver lines. They are mounted on a metal structure, and a bright, circular reflection is visible on one of the panels in the foreground. The background shows more panels extending towards the horizon under a clear sky.

Oil Cargo Terminal

A map of the Kratie River system in Thailand, illustrating sub-feeder ports and terminals. The river is shown in blue, flowing from the top right towards the bottom left. Several orange callout boxes label terminals: 'Prek Kdam Terminal' (top left), 'Prek Tamaek Terminal' (center), and 'Kratie Terminal' (top right). Blue circles with black text label sub-feeder ports: 'KM6' (near Prek Kdam), 'TS3' and 'TS1' (further downstream from Prek Kdam), and 'LM17' (near Prek Tamaek). A red line with arrows indicates the flow from the sub-feeder ports towards the main terminals. A red text box at the bottom right states '(For Illustration Purpose Only)'. The bottom of the image features a dark blue banner with the text 'Sub-Feeder Ports' in large white font.
