OUR BUSINESS

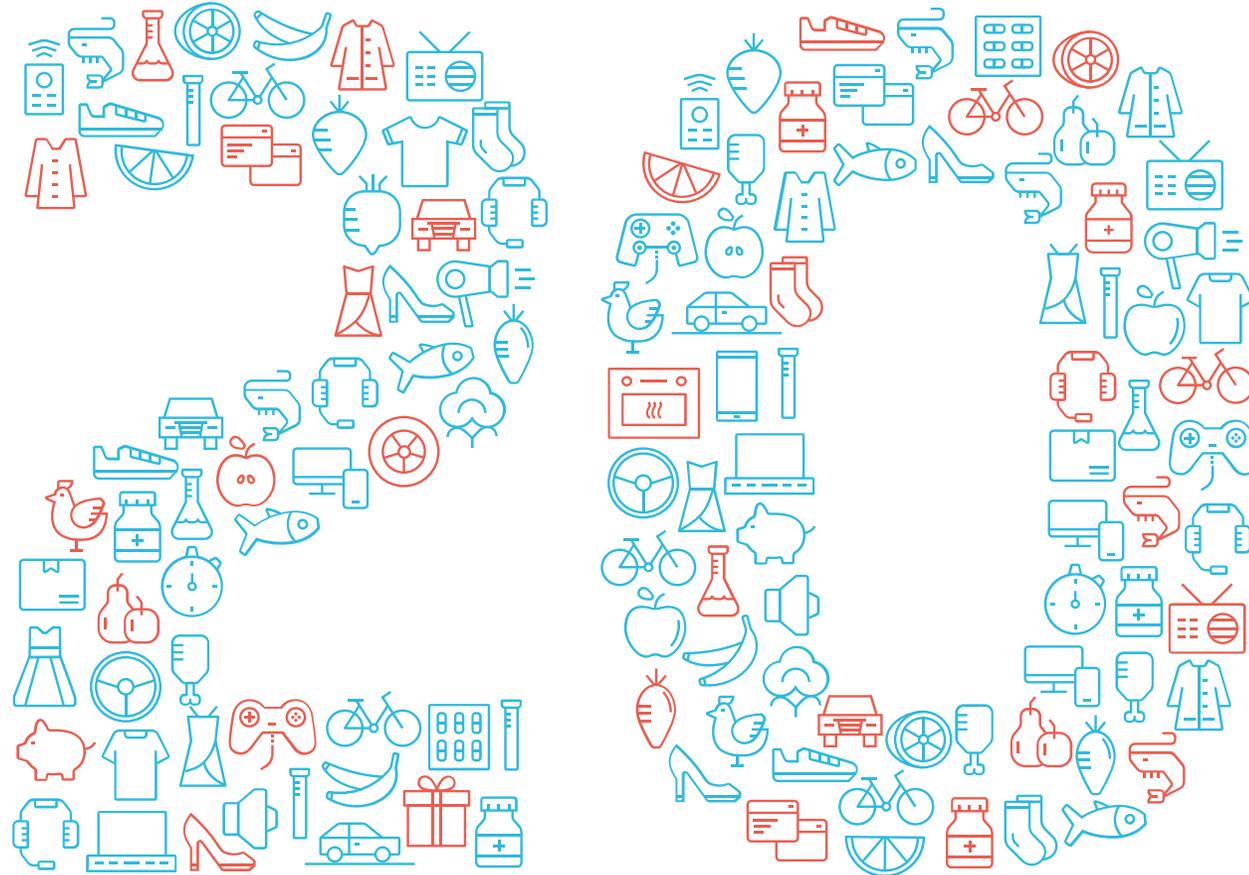

# Connecting and simplifying global supply chains

**A.P. Moller - Maersk enables its customers to trade and grow by transporting goods anywhere.**

Maersk works to provide customers with a simple end-to-end offering of products and services, seamless customer engagement and a superior end-to-end delivery network, taking the complexity out of global supply chains.

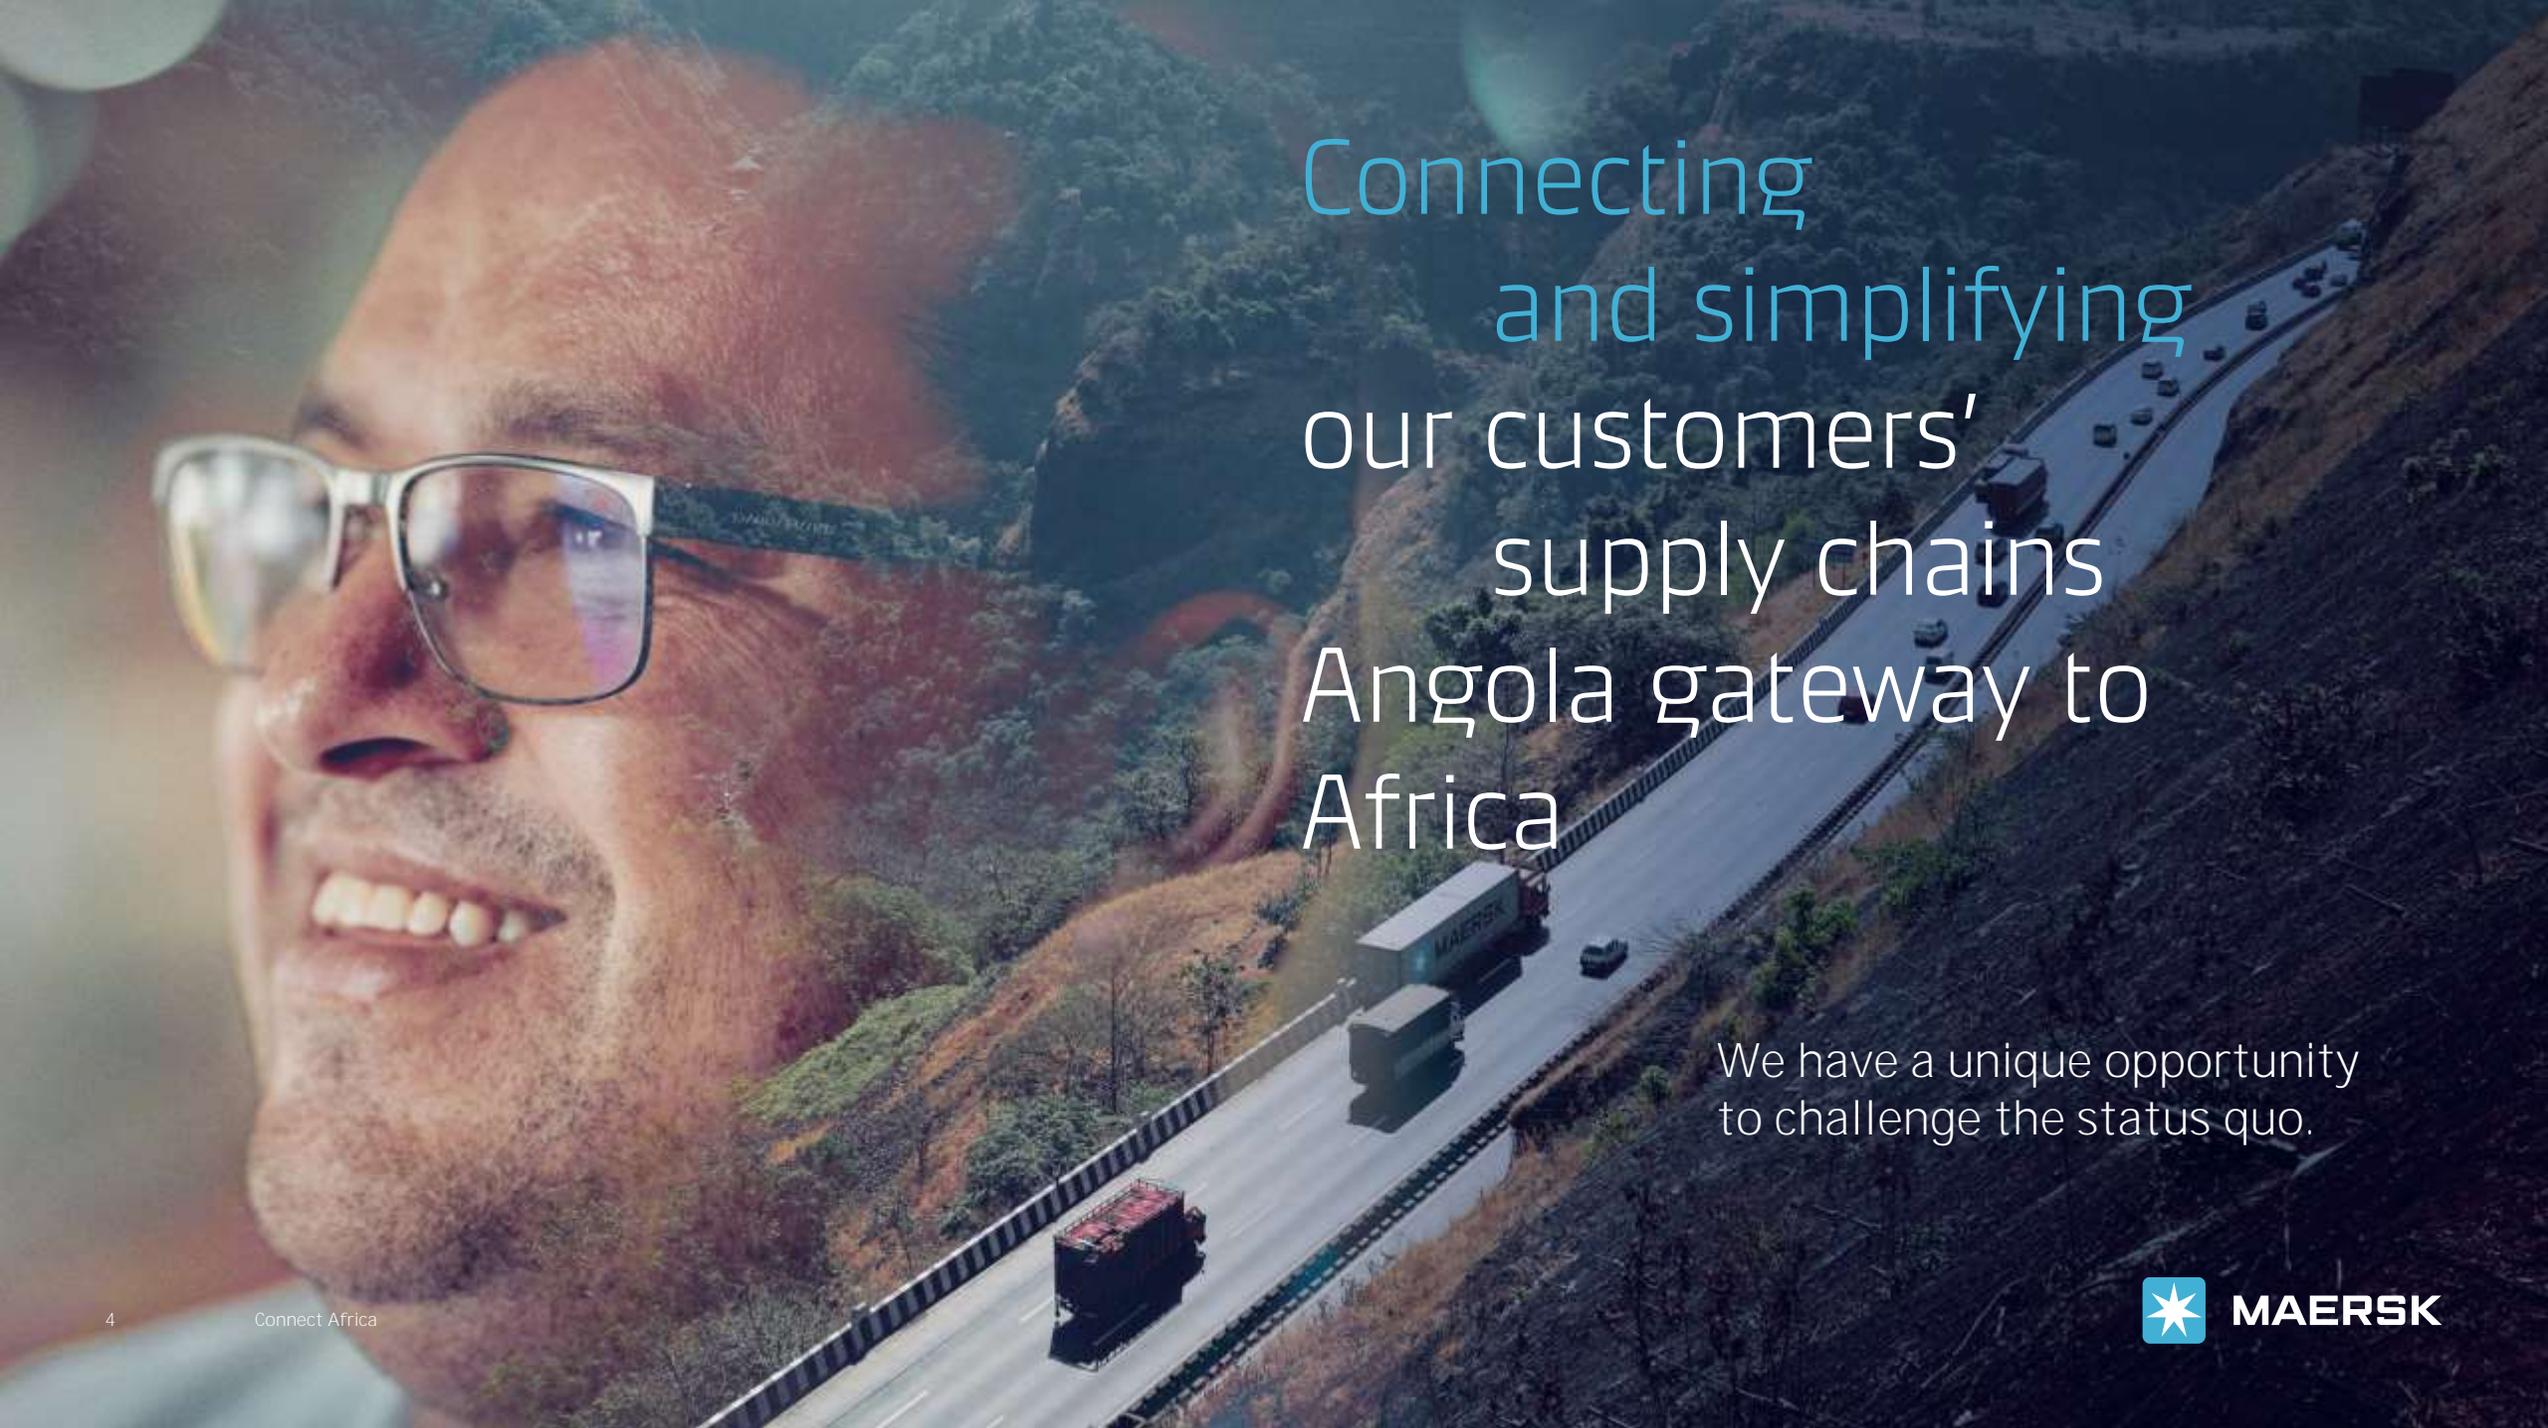

Every day, we help  
our customers  
move almost

%

of the world's food,  
materials and goods –  
items we all depend on  
to live, work and thrive.

Connecting  
and simplifying  
our customers'  
supply chains  
Angola gateway to  
Africa

We have a unique opportunity  
to challenge the status quo.

# case study

# Triangulation

# solution

The world's supply chains support economic growth and hold the potential to accelerate development and create greater equality across the globe. But only if they keep moving.

Import / Export

- 1) ROAD – from Luanda port to Luau
- 2) RAIL – from Luau to Coluezi
- 3) RAIL – from Coluezi to Luau
- 4) ROAD – from Luau to Luanda
- 5) Ocean from Luanda port to /Africa/Europe/Asia

Every day we strive to  
ensure these supply chains  
stay connected  
and protected.
