4th PHILIPPINE PORTS AND SHIPPING 2007

Hosted by The Philippine Ports Authority

The Peninsula Manila, The Philippines Wednesday 7 and Thursday 8 February 2007

Dear Colleague,

The Philippine Ports Authority is hosting the biennial 4th Philippine Ports and Shipping Exhibition and Conference on 7 and 8 February 2007 at the Peninsula Manila Hotel in cooperation with Transport Events Management. This will be a follow-through of the successful 3rd PPSECs held in 2005. The purpose of the event is to encourage foreign direct investment to the country and to promote Philippine Ports, shipping and transport logistics to the international transportation community.

To appreciate the substantial commercial investment opportunities currently available in the Philippines, you are invited to participate in this Exhibition and Conference involving a two-day gathering of 250 senior executive decision makers and 30 exhibiting companies from the world's leading regional shippers, shipping lines, freight forwarders, logistics companies, port authorities, terminal/railway operating companies, haulage companies, container terminal equipment and services suppliers throughout the USA, Europe, Middle East, Africa and Australasia.

We welcome and encourage your valued participation at this important international container ports and shipping event taking place in Manila on Wednesday 7 and Thursday 8 February 2007 and to welcoming you to our beautiful country rich in commercial investment opportunity, cultural heritage and tourism.

Yours sincerely,

Atty. OSCAR M. SEVILLA
General Manager

VISION

By 2010, PPA shall have met the international standards in port facilities and services in at least ten (10) ports in support of national development.

MISSION

We commit to provide reliable and responsive services in our ports, sustain development of our port communities and the environment, and be a model corporate agency of the government.
