TSUBAKI KABELSCHLEPP

Top FLEXdesign TPE cables for  
projects and cranes

**NEW**

Standard, medium and heavy-duty  
models between -40 °C - +80 °C  
Also: medium TPE, with poly and PVC jacket

Developed for

- Heavy load applications
- Cranes and conveyor  
machines
- Hydraulics, pneumatics and  
other engineering
- Power transmission
- Control signals
- Protection against  
corrosion
- Protection against  
humidity

Premium properties

- Top FLEXdesign
- Oil-resistant
- UV-resistant
- Flame & smoke
- Halogen-free
- Non-toxic
- Water-resistant
- CFC-free
- Suitable for  
industrial  
environments
- Flame retardant
- Current monitor
- Polybore® feature

Technical details

- Unlocked mechanical stability
- 100% UL certified
- 100% flame retardant
- Suitable for  
industrial  
environments
- Flame retardant
- Polybore® feature
