Let's take another turn

Our cables have been continually working without any cork screw effect for many years with high speed applications all around the world.

Virginia (USA)
- Towing: 600 tons
- Speed: 200 mph
- T嗟 cables have been working since 15 March 2000

Rotterdam (Netherlands)
- Towing: 5,000 tons
- Speed: 250 km/h
- Tovah cables have been working since 3rd March 2019
