Dear Valued Colleague,

Promote Your Business Effectively in Emerging Maritime Transport and Logistics Markets!

Transport Events manages some of the biggest annual market leading Ports and Logistics Exhibition and Conference trade events in Europe, Africa and Asia.

We are delighted to present our 2025 - 2028 events. All concurrent Exhibition and Conference events include the following:

1. Hosted by the host country's Ministry of Transport or leading port authority to ensure that all events are fully endorsed and supported by the most relevant local government organisation.
2. A Technical Site Visit to the port to enable you to see first-hand the progress and latest technologies being used in the host port.
3. Two working days in length that takes place in five star hotels where the entire event is 'under one roof' removing daily commuting between hotel and event venue.
4. All Exhibitions provide a simple cost effective all-inclusive 4 x 2m. exhibition stand package that simply requires your marketing materials to be checked-in at the airport removing inconvenience, risk and cost of freight forwarding and only one person to set up.

6. Arranged with reduced accommodation rates at the Official Hotel and Venue and discounted rates on Official Carrier airlines for cost saving.
