# MEET THE SPEAKERS

**His Excellency Nayef Hameidi Al Fayez**  
**Chief Commissioner, Aqaba Special Economic Zone Authority (ASEZA), The Hashemite Kingdom of Jordan**

His Excellency Nayef Himiedi Al-Fayez is a Jordanian politician. Previously he had held the position of Minister of Tourism and Antiquities in Bishr Al-Khasawneh's government from October 12, 2020 until 22 December 2022. He holds a MA in International Relations and a Bachelor of Political Science. After taking office in 2020 he had been working to get the city of Al-Salt to be nominated as a UNESCO World Heritage site and to secure funding to keep the country's tourism sector afloat during the COVID-19 pandemic; the ministry since the beginning of those efforts have raised and secured 20 million JOD (28.2 millions USD).

**Her Excellency Eng. Wesam Altahtamouni**  
**Minister of Transport, Ministry of Transport, The Hashemite Kingdom of Jordan**

Her Excellency Wesam Al Tahtamouni is a Jordanian politician currently serving as the Minister of Transport. Appointed during a cabinet reshuffle by Prime Minister Bisher Khasawneh, Al Tahtamouni has been contributing to the Ministry of Transport since August 26, 2019, initially as the General Secretary. Wesam Al Tahtamouni has been serving in key roles within the Ministry of Transport. She first took on the role of General Secretary of the Ministry of Transport on August 26, 2019. On 27 September 2023, she was appointed as the Minister of Transport during the cabinet reshuffle under Prime Minister Bisher Khasawneh.

**His Excellency Hussien Al Safadi** **Moderator**  
**Chief Executive Officer, Aqaba Development Corporation (ADC), Kingdom of Jordan**

H.E. Hussein Al-Safadi, CEO of Aqaba Development Corporation (ADC), has over 25 years of experience in the public and private sectors. He plays a key role in positioning Aqaba as a dynamic economic hub, driving investment in various industries. As Chairman of Aqaba Ports and Aqaba International School, he is dedicated to the region's educational, social, and economic growth. With extensive experience in real estate development, he has led business development and marketing efforts. Mr. Al-Safadi holds a B.Sc. in Economics and Politics with a minor in Public Administration and Strategic Studies from the United Kingdom, and has become a regional expert in investment, tourism, and real estate, significantly contributing to Aqaba's development.

**Jonathan Goldner**  
**Chief Executive – Asia & Middle East, APM Terminals, Kingdom of Jordan**

Jonathan R. Goldner was appointed as Chief Commercial Officer and joined APM Terminals' management team in July 2018. He joined A.P. Moller-Maersk in 1997 and worked in the U.S., China, Denmark, and the Netherlands in various operational and commercial leadership positions. He was responsible for DAMCO in East China, APM Terminals Tacoma, APM Terminals Commercial in North and Latin America, and Commercial Strategy and Pricing for APM Terminals globally. Mr. Goldner attended Texas A&M University, has his Third Officers License, and received his MBA from Columbia University, New York.

**Ricardo Sanz Saiz**  
**Managing Partner, irp engineering, Spain**

Ricardo Sanz Saiz is a Managing Partner at IRP Engineering, a consulting firm specializing in maritime and port sector strategy. He has been involved in analyzing trends in global trade and their impact on port logistics, particularly concerning the evolving role of Spanish ports. Sanz has highlighted the importance of automation, digitalization, and sustainability in the future of maritime logistics. His work emphasizes how ports must adapt to emerging economic shifts, environmental regulations, and technological advancements to maintain competitiveness.

**Dr. Elenna Dugundji**  
**Research Scientist, Center of Transportation and Logistics, Massachusetts Institute of Technology (MIT), United States of America**

Elenna Dugundji shapes Supply Chain futures by bringing expertise in demand forecasting, machine learning and AI to research in mainport logistics, involving Network analytics, Optimization of operational processes, Tactical planning and Strategic asset management.

**Nuno Nunes**  
**Associate Partner & Vice President Americas, Hamburg Port Consulting GmbH, Germany**

Nuno Nunes is an accomplished IT and digitalization expert with a strong strategy and project delivery background. For 20 years, he has led multiple high-profile projects in the transportation industry. His crucial project achievements demonstrate his ability to evaluate, define, and plan investment and development strategies on a global scale. Additionally, he has successfully delivered large-scale transitions to digital operations, resulting in both cost savings and revenue growth. During his professional career, he focused on leading strategic transformation initiatives, both as an IT lead in TAP Air Portugal, the Portuguese national carrier, and, since 2022 as a Deputy VP Europe in Hamburg Port Consulting. Nuno supports clients in investment strategy, digitalization, and automation. His focus on business development and change management allows him to support projects throughout the entire lifecycle, from conception and feasibility stages to implementation and go-live of state-of-the-art innovative technologies.

# MEET THE SPEAKERS

**Vijay Rangachari**
