Mediterranean Ports and Logistics Continues to be the Biggest  
Annual Ports and Logistics Event for the Mediterranean Region

Barcelona, June 6<sup>th</sup> 2024

Dear Valued Colleague,

# 12<sup>th</sup> Mediterranean Ports & Logistics

2025 Exhibition and Conference  
Tuesday 20 May to Thursday 22 May 2025  
Catalonia Barcelona Plaza Hotel, Barcelona, Spain

Port de Barcelona is delighted to host the **12th Mediterranean Ports and Logistics 2025** here in our vibrant city of **Barcelona, Spain** from **Tuesday 20 May to Thursday 22 May 2025** at the **Catalonia Barcelona Plaza Hotel** to connect international trade and investment in the Mediterranean and European region

A two days Conference Program will feature **45** world-class conference speakers addressing topical issues and challenges for transportation and logistics infrastructure. The conference will be attended by a gathering of 300 senior executive harbour masters, harbour engineers, port engineers, maintenance supervisors and procurement decision makers together with the region's leading shippers, cargo owners, importers / exporters, shipping lines, freight forwarders, logistics companies, ports, terminal operating companies, railway operators, port equipment and services suppliers from countries throughout the Mediterranean, Europe, Middle East and North Africa.

There will be the commercial opportunity for a limited number of **40** exhibitors and sponsors to network directly with delegates at this major annual international maritime transport & logistics exhibition and conference for Mediterranean & Europe Region. You are invited to reserve your first choice of exhibition stands on the Exhibition Floorplan and register a conference delegation while there is still some availability!

Port de Barcelona is proud to host again the Mediterranean Ports and Logistics event, and would like to assure you an excellent business networking opportunity. Currently in the region, Port de Barcelona is ahead of the mix in many fields: rail logistics fully integrated in the Port, an ongoing project to adapt our place to modern operational necessities with strong emphasis on sustainability. We are starting this with a new OPS (cold ironing) system and the use of new generation fuels to reduce greenhouse emission which is key in advancing the effort to achieve port decarbonisation.

We look forward to welcoming you to our vibrant city of Barcelona and looking forward to your participation at the **12th Mediterranean Ports and Logistics 2025** from **Tuesday 20 May to Thursday 22 May 2025** at the **Catalonia Barcelona Plaza Hotel, Barcelona**

Yours sincerely,

Lluís Paris

Port de Barcelona  
Comercial

Head of Automotive, ro/ro, Short Sea and Bulk division

**Mediterranean Ports and Logistics 2025**

Dear Value Colleagues,

International Cargo Handling Coordination Association (ICHCA) is pleased to announce our enthusiastic participation in the upcoming Mediterranean Ports and Logistics 2025 taking place in Barcelona, Spain from Tuesday 20 May to Thursday, 22 May 2025.

ICHCA, a global organisation dedicated to promoting safety, efficiency, and best practices in cargo handling for over 60 years, brings together a diverse membership encompassing port authorities, terminal operators, shipping lines, freight forwarders, and logistics providers.

Our involvement in the Mediterranean Ports and Logistics 2025 conference reflects our commitment to fostering collaboration and knowledge exchange within the maritime supply chain.

We believe ICHCA's participation will significantly enrich the conference experience for attendees. With a focus on the Mediterranean region, this event provides a valuable platform for discussing the unique challenges and opportunities facing ports and logistics operations in this dynamic area.

We look forward to engaging with industry leaders, policymakers, and practitioners at the Mediterranean Ports and Logistics 2025. Join us as we explore innovative solutions and shape the future of cargo handling in the Mediterranean and beyond.

Sincerely,

Richard STEELE

CEO of ICHCA International

The International Cargo Handling Coordination Association (ICHCA)

United Kingdom

## **12<sup>th</sup> Mediterranean Ports and Logistics**

**Date: Tuesday 20<sup>th</sup> May 2025 to Thursday 22<sup>nd</sup> May 2025**

**Venue: Hotel Catalonia Barcelona Plaza, Barcelona**

Dear Colleagues,

On behalf of the Terminal Industry Committee 4.0 (TIC4.0) we are pleased to formally endorse the 12<sup>th</sup> Mediterranean Ports and Logistics, taking place from Tuesday, 20 May to Thursday, 22 May 2025. Set against the backdrop of Barcelona's picturesque landscape, this event offers an ideal platform to network and explore trade and investment prospects in Mediterranean and European ports, shipping and transport logistics.

The 12<sup>th</sup> Mediterranean Ports and Logistics will feature a robust two-day conference program showcasing presentations from 35 esteemed speakers who will address critical issues, challenges, solutions, and innovations in port operations, shipping, supply chain management, and logistics strategies. We anticipate the participation of over 300 senior government officials, industry leaders, and other key stakeholders from various sectors across Mediterranean and European region

In addition, the event will provide a commercial platform for 50 exhibitors, enabling brands to connect directly with influential decision-makers in the maritime industry. We encourage all interested parties to reserve their exhibition stand packages and register their delegations for this comprehensive three-day program.

We are excited about the opportunities that 12th Mediterranean Ports and Logistics 2025 presents and look forward to your active participation. Your presence will undoubtedly contribute to the success of this prestigious event.

Thank you for your attention, and we welcome your involvement in making this event a milestone for the maritime sector.

Warm regards,

**Boris Wenzel**

**President**

**Terminal Industry Committee 4.0 (TIC 4.0)**

# MEET THE SPEAKERS

**José Alberto Carbonell**  
**President, Port of Barcelona, Spain**

José Alberto Carbonell Camallonga born in Barcelona in 1964. He holds a Degree in Civil Engineering by the Universitat Politècnica de Catalunya, MBA (Master Business Administration) by EADA and PADE (Senior Management Program) by IESE. Appointed in October 2024, he is currently President of Barcelona Port Authority where he also started his professional career in 1991 as a Concessions Manager. From 2009 to 2024 he was Managing Director of Barcelona Port Authority until his promotion to President of Port of Barcelona.

**Josep Vicent Boira**  
**Commissioner, Spanish Government for the Development of the TEN-T Mediterranean Corridor (ADIF-Ministry of Transport), Spain**

Commissioner of the Spanish Government for the development of the TEN-T Mediterranean Corridor (ADIF-Ministry of Transport). PhD in Geography for the University of Valencia and Professor in the Department of Geography. Extraordinary Degree Award in 1986 and Extraordinary Doctorate Award in 1992. He has expanded his studies at Italian universities and has been visiting professor at Miami University (Ohio, 2008 and 2011) and at the Università degli Studi Roma Tre (2016). He belongs to the Spanish Association of Geography and the Institut d'Estudis Catalans and his latest book is Roma i nosaltres, which deals with the cultural, artistic and architectural relations between the Crown of Aragon and the city of Rome (Proa, 2020). He has been active in promoting the Mediterranean Euroregion and the Mediterranean Corridor. He has held the position of vice secretary of the Department of Housing, Public Works and Territory of the regional Government of the Generalitat Valenciana from July 2015 to July 2018.

**Rachael White** Moderator  
**Chief Executive Officer, Next Level Information, United Kingdom**

Rachael is a seasoned communicator, commentator, and connector of people, ideas, and knowledge, with over 35 years working in global trade and transport industry overall. Her strength lies in marketing, social media, branding, PR advisor and being the creator of contents where it was the catalyst for her to become a journalist and editor of 4 industry publications. That journey led Rachael down to the path of researching and producing, specifically conferences. At times she took on the role of a moderator which in turn made her to be an established speaker / presenter after 250 conferences worldwide. With these experiences backing her, Rachael then went on to serve as Secretary General with PEMA and Head of secretariat for ICHCA and this further has leveraged her current role industry Influencer, Event Ambassador, Invited thought leader and mentor.

**Albert Monclús i Bori**  
**Principal Consultant - Transport & Infrastructure, Infrata Limited, United Kingdom**

Albert Monclús i Bori is a Principal Consultant at Infrata, specialising in maritime and logistics advisory. With over six years of experience in strategy, commercial, and technical advisory for transport infrastructure projects, Albert has led assignments across Europe, Latin America, Africa, and the Middle East. He holds a background in civil engineering and is passionate about how infrastructure projects can deliver high social value.

**Ricardo Sanz Saiz**  
**Managing Partner, irp engineering, Spain**

Ricardo Sanz Saiz is a Managing Partner at IRP Engineering, a consulting firm specializing in maritime and port sector strategy. He has been involved in analyzing trends in global trade and their impact on port logistics, particularly concerning the evolving role of Spanish ports. Sanz has highlighted the importance of automation, digitalization, and sustainability in the future of maritime logistics. His work emphasizes how ports must adapt to emerging economic shifts, environmental regulations, and technological advancements to maintain competitiveness.

**Leticia Astudillo**  
**Deputy Director, Drewry Maritime Advisors, United Kingdom**

Leticia is a Deputy Director at Drewry Maritime Advisors. Drewry is a leading international provider of research and consulting services to the maritime, ports and shipping industry. A chartered engineer CEng MICE and with 19 years of consulting experience, her earlier career focused on port engineering, design and planning roles but then evolved into strategy and market advisory in the maritime space. Leticia advises port businesses, investors and lenders on port sector M&A transactions, including commercial, technical and ESG due diligence. Apart from the ports and terminals sector, she also covers container equipment leasing transactions, including both market due diligence and valuations. Leticia is responsible for the development of Drewry's Green and Smart advisory service offer in the port sector, monitoring technological, decarbonisation and sustainability initiatives.

**Nishal Sooredoo**  
**Associate Director, Royal Haskoning DHV, United Kingdom**

Nishal Sooredoo is an Associate Director highly experienced in port economic feasibility and market studies. Prior to joining OSC, Nishal held roles at both Drewry and ARUP, where he was involved in numerous port projects worldwide, covering port developments and transport analysis, market studies, corporate strategy and due diligence. His particular area of expertise lies in the container and dry bulk sectors, notably in Latin America, Africa and Europe. Nishal was the lead commercial advisor for the sale of Goldman Sachs and InfraCapital's 30% stake in Associated British Ports for £1.6bn (sell side). Nishal holds an MSc in Maritime Economics and Logistics from the Erasmus University in Rotterdam.

# MEET THE SPEAKERS
