Intermodal Africa Continues to be the Biggest Annual
Ports and Logistics Event on the African Continent

Cornelder
de Moçambique s.a.

25 April 2024

Dear Valued Colleague,

Intermodal Africa 2025

Exhibition and Conference

Tuesday 22 to Thursday 24 July 2025

Lunamar Hotel, Beira, Mozambique

To provide a networking opportunity between foreign and local investment in East African maritime transport infrastructure, **Cornelder de Moçambique, SA** is delighted to host the 33rd Intermodal Africa 2025 Exhibition and Conference taking place at the four-star Lunamar Hotel, Beira, Mozambique, from Tuesday 22 to Thursday 24 July 2025.

Holding this event in Beira will promote East Africa ports, shipping, and transport logistics infrastructure to foreign investment and trade.

A two day Conference Programme will feature **30** world-class conference speakers addressing topical issues and challenges for East Africa's transportation and logistics infrastructure attended by a gathering of **350** senior executive harbour master, harbour engineers, port engineers, maintenance supervisors, and procurement decision makers together with the region's leading shippers, cargo owners, importers/exporters, shipping lines, freight forwarders, logistics companies, ports, terminal operating companies, railway operators, port equipment and services suppliers from countries throughout Africa.

There will be the commercial opportunity for a limited number of **40** exhibitors and sponsors to network directly in person with all delegates at this major annual international maritime transport Exhibition and Conference trade event for Africa.

You are invited to reserve your first choice of exhibition stands on the Exhibition Floorplan and register a conference delegation while there is still availability.

We look forward to welcoming you to our beautiful country and your participation during the 33rd Intermodal Africa 2025 Exhibition and Conference taking place at the Lunamar Hotel, Beira, Mozambique, from Tuesday 22 to Thursday 24 July 2025.

Yours sincerely,

Jan Laurens DeVries
Executive-Managing Director

MEET THE SPEAKERS

Eng. Clara Sadomba Moderator

Chief Executive Officer, Silvergill, Republic of Zimbabwe

Clara is the Founder of Silvergill Enterprises (Pvt) Ltd, a leading logistics company in Zimbabwe specializing in bulk mineral and commodity transportation by rail. With over 23 years of experience at ZIMASCO (Pvt) Ltd, a major ferrochrome producer and exporter, Clara recognized the need for multi-modal logistics in Zimbabwe's mining sector. This insight led to the creation of Silvergill in early 2022, providing customized, end-to-end logistics solutions for bulk commodity players. She holds a Master of Engineering (Metallurgical Engineering) degree and has significant expertise in mineral processing, logistics, sales, and global marketing. Clara has led key initiatives in export logistics and international trade.

Mbahupu Hippy Tjivikua Moderator

Chief Executive Officer, Walvis Bay Corridor Group, Republic of Namibia

Mbahupu H. Tjivikua is the Chief Executive Officer of the Walvis Bay Corridor Group. He has close to two decades of experience in the corridor management, transportation and logistics industry. He has served in various senior and executive management roles as well as the academia as a part time lecturer in Business Management, Strategic Leadership and Quality Management Systems. He has done several consultancies and served on various board of directors. Tjivikua holds an MSc (Operations Management & Leadership) from Worcester Polytechnic Institute, Massachusetts, USA, B.Ed (Hons), Rhodes University, HED (Sec), University of Namibia, Certificate in Project Management, University of Stellenbosch, Certificate in Financial Management, Namibia University of Science & Technology.

Carolyn Kathewera

Deputy General Manager, CMA CGM, Republic of Mozambique

Carolyn Kathewera is the Deputy General Manager for the Zambezi Cluster(Mozambique, Malawi, Zambia, and Zimbabwe) at CMA CGM. Carolyn is passionate about driving positive impact in trade dynamics. With 13 years experience in international Containerized Shipping logistics management, she has, in the last 8 years specialized in conceptualizing, designing, and delivering multimodal solutions through Mozambique ports to Malawi, Zambia, and Zimbabwe, Democratic Republic of Congo, Eswatini, South Africa and Botswana.

Washington Dube

Chief Executive Officer, Shipping and Forwarding Agents Association of Zimbabwe and General Assembly Member, Economical Social and Cultural Council of the African Union (ECOSOCC), Republic of Zimbabwe

CEO of the Shipping and Forwarding Agents Association of Zimbabwe and a General Assembly Member of the Economical Social and Cultural Council of the African Union (ECOSOCC).

Paul-Louis Julienne

Senior Analyst, Drewry Maritime Advisors, United Kingdom

Paul is a qualified Civil Engineer from France at ESTP-Paris (Ecole Speciale des Travaux Publics, du Batiment et de l'Industrie). He also has an MSc in Transports from Imperial College in London. Paul is Senior Analyst at Drewry within the Maritime Advisory team. He works on commercial and technical due diligences for port terminals acquisitions by investors or Global Container Operators, as well as for vessels acquisitions providing an opinion to lenders. Paul helps shipping lines or governments to develop their network or shipping strategy. He has also worked with Port Authorities to build cost recovery programs to finance civil engineering works. In addition, he has advised shipyards and their legal teams in preparing documentation for contract litigation with shipowners. He is involved in advisory across several maritime sectors: containerhips, tankers (crude, refined products, chemicals), dry bulk, etc. Paul also works on container fleets valuations and due diligences for container leasing companies. Drewry's Maritime Advisory team works across several geographies, including Africa.

Lawrence Takawira

General Manager, Mutare Dry Port, Republic of Zimbabwe

Lawrence Takawira is the General Manager of Mutare Dry Port. Lawrence has a Finance background with 15 years of experience in corridor management and Logistics in the Beira Corridor. He is currently serving as the Vice Chamber President of the Confederation of Zimbabwe Industries Manicaland Chamber and a committee member in the Regional and International Trade committee for CZI in Zimbabwe.

Jan de Vries

Executive Managing Director, Cornelder de Moçambique, Republic of Mozambique

Jan Laurens de Vries is the Executive Managing Director of Cornelder de Moçambique, Operator of the Port of Beira. He has degrees in Business Administration with specialization in Logistics and IT as well as a degree in International Relations. He started his career working for a shipping line before moving over to the Port and Terminal Industry. At Cornelder de Moçambique, he has worked as Business Development Manager and Commercial Director before being nominated Executive Managing Director.

Mervin Chetty

Maritime and Transport Specialist, MTBS, South Africa

With 34 years of professional experience and a solid academic record, Mr. Chetty is a high-profile Executive in long service of the port, rail and pipeline industries within South Africa's Public Sector. Mr. Chetty holds an extensive record of accomplishment in strategy development, freight logistics performance and operational turnaround, with pronounced talent for commercial activities, transaction negotiations, business networking and business development across the African continent. Focused on Africa for the past decade, Mr. Chetty has been avidly promoting regional integration – recognized for creating and securing significant new business deals on the continent and globally. Mervin Chetty was instrumental in developing Transnet's Africa strategy.

MEET THE SPEAKERS

Tiago Almeida

Senior Investment Officer (Infrastructure Africa), International Finance Corporation, Republic of Mozambique

Tiago has joined IFC in January 2021, as a Senior Investment Officer, Infrastructure Africa Region, based in Maputo, and responsible for infrastructure and mining investments in Angola, Namibia and Mozambique, which includes power, renewables, roads, rail, ports, airports, telecom, water, waste management and urban transport. Previous to IFC, Tiago was an Investment Manager with the Debt Project Finance team of the CDC Group (now BII) in London, focusing on infrastructure investments in Africa and South Asia. His experience also spans several years working in South Africa, as a Senior Transactor in the Infrastructure Finance team at Rand Merchant Bank. Tiago has a vast experience in originating and leading several project finance transactions across Sub-Saharan Africa.

Frank van Laarhoven

Senior Sales Manager, RAM Spreader, The Netherlands

Frank is RAM's Senior Sales Manager for Europe, who joined the company in 2012 after an extensive career in the port industry. He strongly focuses on delivering the most cost-effective container handling solutions from RAM to ports and terminals in Europe, The Black Sea, and Africa. Before joining RAM, Frank studied electrical engineering and worked in the overheight crane business before moving into the port business, becoming a senior manager for spreader manufacturer and moving into sales shortly after. Since joining RAM, Frank has also been instrumental in providing customers with after-sales support by assisting in commissioning projects and delivering on-site practical theory training.

Elias Mwenyo

Executive: Commercial Services, Namibian Ports Authority (Namport), Republic of Namibia

Mr. Elias Chiaca Mwenyo is a distinguished professional with a rich background in the fields of maritime transport and logistics development and marketing. He holds a Master's degree in Shipping Management and Logistics from the World Maritime University Sweden, B. Tech. Degree in Marketing and a National Diploma in Marketing from Namibia University of Technology. Currently serving as the Executive of Commercial Services at Namport since September 2021, Mr. Mwenyo oversees the development and management of departmental operational budgets, revenue generation through strategic business development, and negotiation of contract tariffs for corporate clients. His responsibilities extend to directing the development of marketing plans and communication strategies, emphasizing both short and long-term objectives.

Stuart Duncan

Group Commercial Executive, J&J Transportes Lda., Republic of Mozambique

Stuart joined J&J Africa as Group Commercial Executive in August 2024. Prior to this he was employed by Maersk SA (Pty) Ltd for 21 years, holding several leadership roles in Commercial and Operational positions.

Yusuf Haffjee

Projects Coordinator, Manica Freight Services (Moc) S.A, Republic of Mozambique

Yusuf Haffjee is the Projects coordinator & CNF Supervisor at Manica Freight Services. He possesses over 7 years of experience in logistics, including his time at Manica Freight Services, where he was introduced, trained, and continue to enhance the skills.

Warren Van Heerden

Head of Operations (Road Freight), Alistair Group, Republic of Zambia

Warren Van Heerden is a regional logistics strategist with over two decades of experience designing scalable transport solutions across Southern Africa, focused on corridor efficiency, border performance, and cross-sector collaboration.

Ivan Goncalves

Head of Application Development, Cornelder de Mocambique, Republic of Mozambique

Ivan Gonçalves is the Application Development Manager at Cornelder de Moçambique. Academic background in Information Systems Technologies from University of Sao Tomas in Maputo. From 2008 to 2015, worked in international NGOs as IT Officer, Database Administrator, and Software Developer. Since 2015 at Cornelder, has served as Operational Applications Supervisor, Senior Application Engineer, and currently leads application development initiatives.

Arnold Brand

Sales Manager, Magnet Service Binder, SIBRE Siegerland-Bremsen GmbH, Germany

Arnold Brand is the Sales Manager at Magnet Service Binder. With more than 10 years industry experience specializing in brake technology to improve safety, performance and operational efficiency.

MEET THE SPEAKERS

Subhaan Kazi

Senior Manager – Sales and Accounts, Middle East & Africa, Navis, United Arab Emirates

Subhaan has more than 7 years of consulting experience at Navis Professional Services implementing Navis solutions in EMEA. In his role, he has successfully implemented Navis' TOS and Billing solutions across 20 terminals with Mixed Cargo operations. Subhaan is currently leading the Account Management role in the Middle East and Africa addressing the customer challenges and needs through Navis' Container and Cargo solutions.

Dirk Schlameus

Sales Director Middle East–Africa, DELLNER BUBENZER Germany GmbH, Germany

Dirk Schlameus has a mechanical engineering degree with 20-year experience in the industrial brake business. He is covering the Middle East and Africa region as the Sales Director for DELLNER BUBENZER Germany GmbH.

Frans van Rheeden

General Manager, C.Steinweg Bridge, Republic of Mozambique

Frans van Rheeden, General Manager at C. Steinweg Bridge Mozambique, is an expert in port operations and logistics, driving efficiency and growth in African maritime transport.

Maartje Driessens

Head of Business Development, Port of Antwerp-Bruges International nv, Belgium

Maartje Driessens is head of BDM at PoABI since end 2024. She holds an extensive background in the area of business development in the maritime and port sector. Her track record consists of more than 12 years of experience in the international logistics industry in commercial, marketing and institutional roles. She also worked abroad for several years. Today in her role as Head of Business Development at Port of Antwerp-Bruges International, Antwerp, Belgium, her mission as head of BDM is to establish new partnerships with ports, terminals and other maritime players on a global level, providing sustainable business models and boosting their competitiveness.

Marco Grobbelaar

General Manager, Independent Beira Logistics Terminals & Services (IBLTS) Lda., Republic of Mozambique

General Manager at Independent Beira Logistics Terminals & Services (IBLTS) Lda. Marco been living in Mozambique for 14 years and working in Warehousing Logistics for the past 8 years.
