ASEAN Ports and Logistics Continues to be the Biggest  
Annual Ports and Logistics Event in the ASEAN Region

Jakarta, 08 May 2024

# ASEAN PORTS AND LOGISTICS 2025

Hosted by **PELINDO**  
**JW Marriott Jakarta, Indonesia**  
**Tuesday 1 to Thursday 3 July 2025**

Dear Valued Colleagues,

ASEAN Ports and Logistics continues to be the biggest annual Container Ports and Terminal Operations Exhibition and Conference in the ASEAN region - now in its 23<sup>rd</sup> successful year!

The ASEAN Ports and Logistics 2024 Exhibition and Conference will take place in Jakarta, Indonesia from Tuesday 1 to Thursday 3 July 2025.

A two days Conference Programme will feature **30** world-class conference speakers addressing topical issues and challenges on global transportation and logistics attended by a gathering of **350** senior executive harbour masters, harbour engineers, port engineers, maintenance supervisors and procurement decision makers together with the region's leading shippers, cargo owners, importers / exporters, shipping lines, freight forwarders, logistics companies, ports, terminal operating companies, railway operators, port equipment and services suppliers from countries throughout the ASEAN region.

There will be the commercial opportunity for **50** exhibitors and sponsors to network directly with the delegates at this major annual international maritime transport Exhibition and Conference trade event for the ASEAN region.

**PELINDO** is delighted to host this captioned event in the vibrant city of Jakarta and we welcome and encourage you to visit our beautiful country Indonesia and attend this important annual industry event in 2025.

We look forward to your participation at the biggest annual Container Ports and Terminal Operations Exhibition and Conference in the ASEAN region taking place in Jakarta, Indonesia from Tuesday 1 to Thursday 3 July 2025 - now in its 23<sup>rd</sup> successful year!

Yours sincerely,

**ARIF SUHARTONO**

President Director  
PT Pelabuhan Indonesia (Persero)

# MEET THE SPEAKERS

**Donovan Yeo**  
**Senior Financial Analyst, Haskoning, Republic of Singapore**

Donovan Yeo, Senior Investment Analyst at Ocean Shipping Consultants (Haskoning), focuses on port and maritime projects, especially container ports and multipurpose terminals. He specialises in financial analysis, investment feasibility and advisory services, primarily within the ASEAN region.

**Truong Bui**  
**Partner and General Director, Roland Berger, Republic of Singapore**

Mr. Bui has been leading multiple projects for port strategies, logistics and many other topics in Bangladesh, Cambodia, Estonia, Egypt, Greater China, Indonesia, Japan, Latvia, Malaysia, South Korea, Turkey, Thailand, United States, and Vietnam. Mr. Bui is an advisor for leading corporations, local conglomerates, state-owned enterprises, and multinationals on strategic planning and growth issues.

**Juliana Sofhia Damu**  
**CMILT – WILAT Indonesia Chairperson, Republic of Indonesia**

Juliana runs her own Logistics company in Jakarta and is in the process of expanding business scope to Agribusiness and Education. She studied at Academy of Secretary and Management Indonesia and previously worked as General Manager for a Freight Forwarder company. She is the Chair of the North Jakarta chapter of the Indonesia Women Leaders association. Public speaking and motivating other people are what she is passionate about.

**Jeff Tan**  
**Director, Supply Chain & Logistics Practice, APAC, Supply Chain & Logistics Advisory, Frost & Sullivan, Malaysia**

Jeff leads Frost & Sullivan's APAC SC&L Advisory Practice, driving client engagements and strategy projects to optimise supply chains across logistics and maritime sectors in the Asia Pacific region.

**Gagan Seksaria**  
**Director of Global Investments, Red Sea Gateway Terminal, Kingdom of Saudi Arabia**

Currently, responsible for Red Sea Gateway Terminals' global investments and portfolio expansion through organic developments and acquisitions. Prior, was responsible for ICTSI's Africa investments closing deals totaling \$325 million. Earlier, spent 6 years with A. P. Moller – Maersk, key roles being with Maersk Line in the South Asia regional office in Mumbai and making Sub Saharan Africa port investments with APM Terminals in The Hague. Other professional experience includes being responsible for new investments with Tuscan Ventures, a private equity firm focused on making PE placements in transportation and logistics infrastructure in Asia and KPMG with the responsibility for their transportation practice in India leading multiple consulting assignments – mainly private equity, M&A and policy lobbying.

**Ambrish Bansal**  
**Senior Vice President & Global Head – Management Consulting & ESG Advisory, Lloyd's Register, India**

Ambrish Bansal is an accomplished strategy and transformation executive with over 19 years of global experience spanning both consulting and industry leadership roles. He has spent 15 years with premier consulting firms including KPMG and Accenture Strategy, complemented by 4 years in the energy sector with Reliance Industries, one of India's largest conglomerates. In his current capacity as Senior Vice President at Lloyd's Register, Ambrish leads the firm's global management consulting and ESG advisory services, overseeing strategic engagements with some of the world's most influential maritime and energy stakeholders. He also has regional leadership responsibility for Advisory Services across South Asia and Africa, focusing on driving strategic alignment, operational efficiency, and long-term value creation. Ambrish holds an MBA in Sustainability Management from the Sustainability Management School (SUMAS), Switzerland, and is a certified Project Management Professional (PMP) from the Project Management Institute (PMI), USA.

**Debbie Torre (CSCP, CMILT)** **Moderator**  
**Indonesia Sales Head, Transport & Logistics, A.P. Moller–Maersk, Republic of Indonesia**

Debbie currently leads the Indonesian sales team focused on commodities. Her experience in Indonesia includes Supply Chain Management & Account Management before joining Maersk. She is also a member of the Chartered Institute of Logistics and Transport, Women In Transport and Logistics and is a certified supply chain professional (CSCP). In addition, she is a Toastmaster (public speaking club) and has competed locally in Jakarta amongst other Toastmaster clubs.

**Mazlim Bin Husin**  
**Chief Commercial Officer, Kuantan Port, Malaysia**

Mazlim Husin is a seasoned port operations and commercial leader with over a decade of experience transforming Kuantan Port into a strategic regional gateway and a pivotal node in China's Belt and Road Initiative (BRI). Currently serving as Chief Commercial Officer he previously held key roles as General Manager (Operations) and Chief Operating Officer, driving operational excellence and trade-focused growth. A central figure in strengthening China-ASEAN trade corridors under the BRI framework, Mazlim has advanced Malaysia's East Coast Economic Region (ECER) through dry-bulk port modernization, infrastructure connectivity, and sustainable development. His leadership supports Malaysia's ambition to become a "logistics hub" for ASEAN while fostering public-private partnerships (PPPs) that align with BRI objectives.

# MEET THE SPEAKERS

**Daniel Chow**

**Principal, Arthur D. Little Southeast Asia (Singapore), Republic of Singapore**

Daniel Chow is a Principal at Arthur D. Little Singapore, with focus around advising on strategy, M&A, and innovation across Asia Pacific. He has over 20 years of experience in corporate and investment roles across transport, tech, logistics, and industrial sectors.

**Pieter de Coningh**

**Managing Director, Tidalis APAC Limited, Hong Kong**

After serving 18 years in The Royal Netherlands Navy, Pieter joined Tidalis in 2002 when it was named "HITT Holland Institute of Traffic Technology B.V.", and started his second career in the Vessel Traffic Services (VTS) domain. In the last 20 years, Pieter is active in VTS business in Europe, South America and Asia. As a permanent resident in Hong Kong, Pieter put his focus on maritime traffic management in Asia markets.

**Dr. Mark Yong**

**Moderator**

**Co- Founder, FlatWorld Associates, Hong Kong**

Mark began in the field of Molecular Biology, earning a Degree and Doctorate from Liverpool University and Oxford University respectively. Mark then transitioned to the shipping industry, where he held key roles at P&O Containers and P&O Nedlloyd. Mark's career path evolved as he ventured into e-commerce, serving as Director of Business Development at Alibaba.com. His passion for innovation and technology led him to INTTRA. In 2008, Mark joined BMT, an engineering consulting company, overseeing the shipping, ports and environmental development activities in the Asia-Pacific region. He then joined Blume Global, a supply chain optimization platform in 2019. Mark joined Avathon (previously SparkCognition) in 2024, as Managing Director APAC & EMEA. Mark recently set up FlatWorld Associates, a Supply Chain consulting firm, focused on Digital/AI strategy and critical Infrastructure Design, planning and optimization. Mark is deeply committed to nurturing growth of the younger generation through mentorship and industry advocacy. In 2024, Mark was awarded the Honorary Fellow Prize by the Supply Chain Asia Organization.

**Rose Yap**

**Head of Port Communications & Marketing, Long An International Port Operation & Management JSC, Vietnam**

With over two decades of experience in the port, logistics, telecommunications, and marketing services industries, Rose has spearheaded growth-driving campaigns for global logistics companies such as DHL, DB Schenker, and TNT, as well as local brands and start-ups in varied industries and diverse markets such as Vietnam, the Philippines, Cambodia, Myanmar, and Bahrain. At Long An International Port, Rose is responsible for driving brand exposure, fostering industry relations, and promoting its vision of becoming a one-stop, cost-saving port and logistics hub, contributing to the provincial, regional, and national socio-economic development goals.

**Fazrin Assidiqy**

**Ports and Maritime Manager (Indonesia), Surbana Jurong, Republic of Indonesia**

Fazrin is a seasoned Maritime professional with over 15 years of extensive experience in the industry. His expertise lies particularly in the design of maritime structures through his involvement in diverse projects across Indonesia, Malaysia, Thailand, Timor Leste, Papua New Guinea, and Fiji. Currently, Fazrin holds the key position of leading the Indonesia Port & Maritime team at Surbana Jurong (SJ) Group, where he is responsible for managing strategic operations and project delivery in the region. Prior to joining SJ, Fazrin successfully managed the engineering team for the Maritime Advisory Group of Royal HaskoningDHV in Jakarta. Fazrin's deep understanding of maritime engineering, coupled with his extensive regional experience and leadership roles, makes him a valuable voice at the ASEAN PORT conference.

**Bart Vermeer**

**Senior Director, Terminal Planning and Optimization, Moffatt & Nichol, The Netherlands**

Mr. Vermeer has an extensive background in project management and business consulting in the marine terminal industry. With more than 20 years of experience in the field, his expertise involves strategic terminal planning, port and terminal development, specifications and performance for automated equipment, as well as operational analysis, terminal optimization and equipment implementation. Mr. Vermeer has guided implementation teams through operational design, procurement, implementation, testing, and quality management. Mr. Vermeer's work in the field has taken him to project sites throughout the Americas, Europe, the Middle-East, Asia, and Africa. Before joining Moffatt & Nichol, Mr. Vermeer was a project manager of operations at APM Terminals, serving on its Maasvlakte II container terminal development project. He held various positions during a seven-year tenure at European Container Terminals (ECT), including a five-year period as manager of terminal commissioning for the ECT Euromax terminal development project.

**Reshma Yousuf**

**Director, CLLB Sdn Bhd (Centre for Logistics Leadership in Business) and President, Women in Shipping & Trading Association (WISTA), Malaysia**

Reshma Yousuf, Founder and CEO, CLLB (Centre for Logistics Leadership in Business), Malaysia. She has more than 20 years' experience in the integrated logistics industry as a service provider, user, trainer and consultant, and is an accomplished and experienced moderator. She is a Chartered Member of CILT and has also obtained corporate affiliation between CLLB and CILT. Reshma is currently a council member of the Institute in Malaysia.

**Benny Woenardi**

**President Director, Cikarang Dry Port, Republic of Indonesia**

Through innovation and collaboration for over three decades, Benny Woenardi, President Director of Cikarang Dry Port has reshaped Indonesia's logistics sector. His leadership has reduced costs, improved efficiency, and created a seamless ecosystem that drives national trade and supports sustainable growth.

# MEET THE SPEAKERS
