Mr. A Kanime

### Company Secretary

Ms. L. Kafita

### 31<sup>st</sup> Intermodal Africa 2024

**Tuesday, 27 February 2024 until Thursday, 29 February 2024**

**Swakopmund, Namibia**

The 31<sup>st</sup> Intermodal Africa 2024 is scheduled to take place in Swakopmund, Namibia from Tuesday, 27 February 2024 until Thursday, 29 February 2024 and this will be supported by our Strategic Partner, Ports Management Association for East and Southern Association (PMAESA).

The Namibian Ports Authority (NAMPORT) is delighted to host this market-leading event, in the picturesque coastal town of Swakopmund. The objective of holding this market-leading event in Namibia is to promote trade and economic development throughout the SADC region through effective and reliable modes of transportation and logistics, as well as promoting foreign direct investment and international business tourism into Namibia and the region.

The two-day Conference will feature 30 world-class international business leaders who will analyse latest topical global transportation and logistics issues. The event will be attended by 350 pivotal players across the global transport and logistics chain, from leading shipping lines, shippers, railway operators, cargo owners, freight forwarders, logistics companies, road transport companies, investors, economists, consultants, port authorities, port equipment suppliers, as well as IT services suppliers.

A concurrent Trade Exhibition of 50 international companies and sponsors will showcase port and transport-related state-of-the-art products and services, providing occasion to showcase the latest developments in the industry.

You are therefore invited to maximise this business networking opportunity by reserving your exhibition stand and sponsorship and registering your delegation to attend the concurrent three days event programme. We look forward to welcoming you to our beautiful country to experience authentic Namibian hospitality and explore the immense business opportunities presented by this great event.

Yours sincerely,

**Andrew Kanime**  
**Chief Executive Officer**

Established in terms of the Namibian Ports Authority Act, 1994 (Act No. 2 of 1994)

### SUPPORTING MEDIA

# MEET THE SPEAKERS

**Andrew Kanime**  
**CEO, Namibian Ports Authority (Namport), Republic of Namibia**

Chief Executive Officer of the Namibian Ports Authority (Namport), the national operator for Namibia's two ports of Walvis Bay and Lüderitz. The ports are strategically located on the West Coast of Africa, serving the local Namibian market and the core hinterland markets in the Southern Africa Development Community region. He holds a Master's degree in Business Administration (MBA), an Honours degree in Accounting and Finance as well as three undergraduate qualifications in the fields of Business Management, Human Resources and Public Administration. He has extensive corporate and leadership experience, which he has gathered over the years in the banking, telecommunications, broadcasting, energy, transport and logistics sectors. He has served on various boards of major utilities and public enterprises in the country, is a renowned business leader and lately, is actively involved in various forums focussing on the development and enhancement of service delivery by the logistics and transport sector in the country and the region.

**Hon. Neville Andre Itope**  
**Governor of the Erongo Region**

**Honourable John Mutorwa**  
**Deputy Prime Minister & Minister of Works and Transport of the Republic of Namibia**

**Colonel Andre Ciseau** Moderator  
**Secretary General, Port Management Association of Eastern & Southern Africa (PMAESA), Republic of Kenya**

Colonel Andre Didace Ciseau is the Secretary General for the Port Management Association of Eastern & Southern Africa (PMAESA) and is also the current Executive Secretary for the Pan African Association for Port Cooperation (PAPC). Colonel Ciseau brings with him extensive experience in the maritime and ports sector arising from his tenure as Chief Executive Officer of Seychelles Ports Authority (SPA) from 2004 to 2018. He has focused on the development of the Blue Economy for Seychelles by working with the Blue Economy Office recently established by the Government of Seychelles. Colonel Ciseau is also a former PMAESA Board Member. He also served in the Seychelles People's Defence Force (SPDF) with a strategic role in the development of the Seychelles Coast Guard.

**Mbahupu Hippy Tjivikua** Moderator  
**CEO, Walvis Bay Corridor Group, Republic of Namibia**

Mbahupu Hippy Tjivikua is the Chief Executive Officer of the Walvis Bay Corridor Group (WBCG) Since October 2019. Tjivikua was previously TransNamib commercial and marketing executive and knows the WBCG group well. He was project manager for the WBCG Safe Trade and Transport Corridors project from March 2008 to May 2011. He has close to 20 years of experience in the corporate sector, with 11 of those spent in the transport and logistics industry. He holds a Master of Science in operations management and leadership from the Worcester Polytechnic Institute (WPI) Business School in Massachusetts, USA and an honours degree in Education from Rhodes University, South Africa. He also has a certificate in project management from the University of Stellenbosch Business School and a certificate in financial management from the Namibia University of Science and Technology.

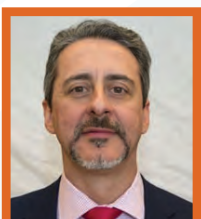

**Dr. Egbert Moustache** Moderator  
**Deputy Chief Executive, Seychelles Ports Authority, Republic of Seychelles**

Dr Egbert Moustache is the Deputy Chief Executive Officer of the Seychelles Port Authority (SPA) since April 2018. Prior to this appointment, he was the Director of Finance with the East Central and Southern Africa Health Community, an Inter-Governmental Organization in Arusha, Tanzania from July 2008. He holds a Doctorate Degree in Business Administration with Finance and Management Specialization, a Master of Business Administration Degree and is a chartered accountant in addition to having a certificate in port management. He is the man behind the digitalization and other smart port initiatives of the SPA and is also immensely involved with the SPA's Green Port strategies to ensure that Port Victoria gains the smart and green edge, that is fast becoming the mainstream of all major ports globally. His vision is to ensure that Seychelles remains competitive and relevant in the Indian Ocean in spite of its size and volume limitation. Dr. Moustache is a regular presenter in a number of port related conferences in the region.

**Philippa Samson**  
**Deputy Director for Project Management, Seychelles Port Authority, Republic of Seychelles**

Philippa Samson is currently the Deputy Director for Project Management at the Seychelles Ports Authority, where she plays the pivotal role of project manager for the Port Victoria Rehabilitation & Extension Project. In this capacity, she oversees the planning and execution of the project aimed at extending and modernizing Seychelles' sole multipurpose deep water port. Philippa holds a Bachelor of Science degree in Business Computing & Information Systems, coupled with a Chartered Banker MBA, and maintains membership with the Chartered Banker Institute and Chartered Institute of Logistics and Transport. She also possesses a Certificate in Port Development and a Diploma in Port Management, and is the Vice Chairperson of the Seychelles chapter of WiLaT (Women in Transport & Logistics).

**Mark Assaf**  
**Chief of the Human Resources Development Section – TRAINFORTRADE, United Nations Conference on Trade and Development (UNCTAD), Switzerland**

Mr. Mark Assaf is the Chief of the Human Resources Development Section–TRAINFORTRADE at the United Nations Conference on Trade and Development (UNCTAD) in Geneva, Switzerland. He oversees major programmes in the field of International Trade Statistics, E-Commerce and Port Management to support sustainable economic development of member states.
