Business Council (BEBC)

BIMP-EAGA TRANSPORT, PORT & LOGISTICS 2026 “Connectivity: One Region, One Border, One Vision”

Dear Distinguished Stakeholders and Industry Partners,

BIMP-EAGA continues to emerge as a fast-growing and strategically positioned subregion in Southeast Asia, connecting markets across Borneo, Mindanao, Northern Indonesia, and the wider ASEAN region. With expanding transport corridors and strengthened cross-border activity, the region is gaining renewed momentum as a competitive hub for trade, logistics, and maritime development.

Key indicators reinforce this regional potential: BIMP-EAGA recorded a combined GDP of US \$401.6 billion, supported by a population of 78.9 million and spanning 1.6 million km² of interconnected land and maritime space. The subregion’s development pipeline now includes 217 priority infrastructure projects valued at US \$67 billion, highlighting strong economic confidence and future investment opportunities.

Within this context, the BIMP-EAGA Transport Private Sector Forum (BETPSF) plays a central role in advancing the goals of BIMP-EAGA Vision 2035 (BEV2035), particularly in the areas of seamless connectivity, competitive logistics, and strengthened public–private collaboration. BETPSF continues to bring together logisticians, transport operators, maritime stakeholders, and agencies to support practical solutions that enhance the movement of goods and people across the subregion.

In line with these efforts, we are pleased to invite your organisation to participate in BIMP-EAGA Ports and Logistics 2026, the subregion’s largest ports, maritime, and logistics forum and exhibition. The event will be held from 8–10 December 2026 at Shangri-La Tanjung Aru, Kota Kinabalu, Sabah, and will feature:

- **8 December 2026:** Technical Port Tour showcasing Kota Kinabalu Port’s modern facilities and capabilities.
- **9–10 December 2026:** Two-day International Conference featuring 40 global speakers on port operations, maritime strategies, supply chain innovation, and logistics transformation.
- **Over 400 delegates** from ministries, port authorities, logistics companies, and regional investors.
- **50 global exhibitors**, providing access to leading technologies, services, and maritime logistics solutions.

We warmly encourage your organisation to secure an exhibition stand and nominate your key delegates. Your participation will help shape the partnerships, systems, and trade pathways that will define BIMP-EAGA’s next phase of connectivity and economic growth.

We look forward to welcoming you to BIMP-EAGA Ports and Logistics 2026 in Kota Kinabalu.

Yours sincerely,

Thomas Koh
Chairman, BIMP-EAGA Transport Private Sector Forum (BETPSF)
