

Rodrigo Sanchez

- Responsible for managing ATI container, general cargo and passenger terminals; two inland depots with trucking services
- Creating & integrating logistics solutions for our customers

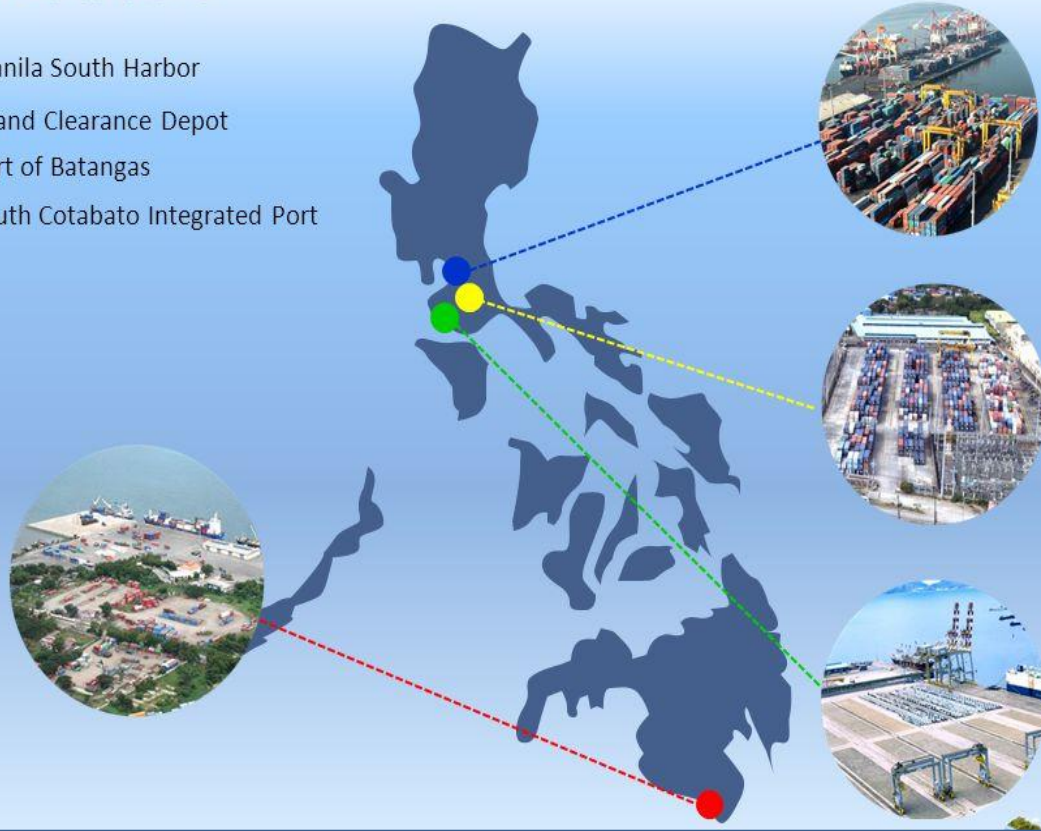

Challenges

ATI Locations

- Manila South Harbor
- Inland Clearance Depot
- Port of Batangas
- South Cotabato Integrated Port

1. 2018 BCT facing challenges with old TOS; terminal expanding rapidly
2. 2020 ATIB is labor intensive & manual operations; needed to apply technology to improve safety, productivity and customer experience

Zodiac, our solutions partner

- Ease of transition & quick results
- Optimization tools for costs reductions
- Automated manual processes
- Cost effective solutions

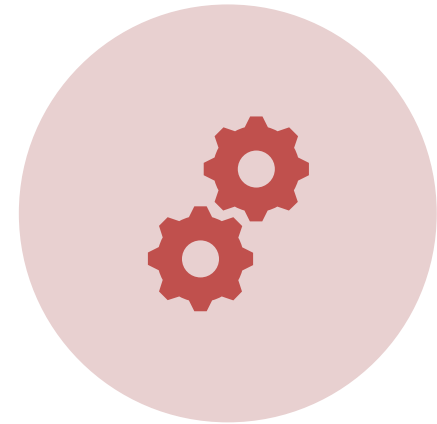

Recommendation
