An aerial photograph of the Bosphorus Bridge in Istanbul, Turkey. The bridge spans the Bosphorus Strait, connecting the European and Asian sides of the city. The bridge is a suspension bridge with two tall white pylons. The water is a deep blue, and a large red and white ship is visible in the middle of the strait. In the background, the Istanbul skyline is visible, including the dense cluster of buildings on the European side and the more spread-out buildings on the Asian side. The sky is blue with scattered white clouds. The text "Thank You" and "Grazie" is overlaid on the right side of the image in a white, cursive font.
