**SMARTER TRADE
BETTER FUTURE**

Trade Enabler

We make trade easier with our global presence and local expertise

We help our customers manage the complexities and reduce the costs of the global supply chain.

Our business focus areas include:

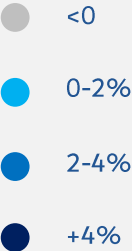

- Ports and Terminals
- Parks, Logistics & Economic Zones

By thinking ahead, foreseeing change and innovating, we aim to create the most productive, efficient and safe trade solutions globally.

Our Vision

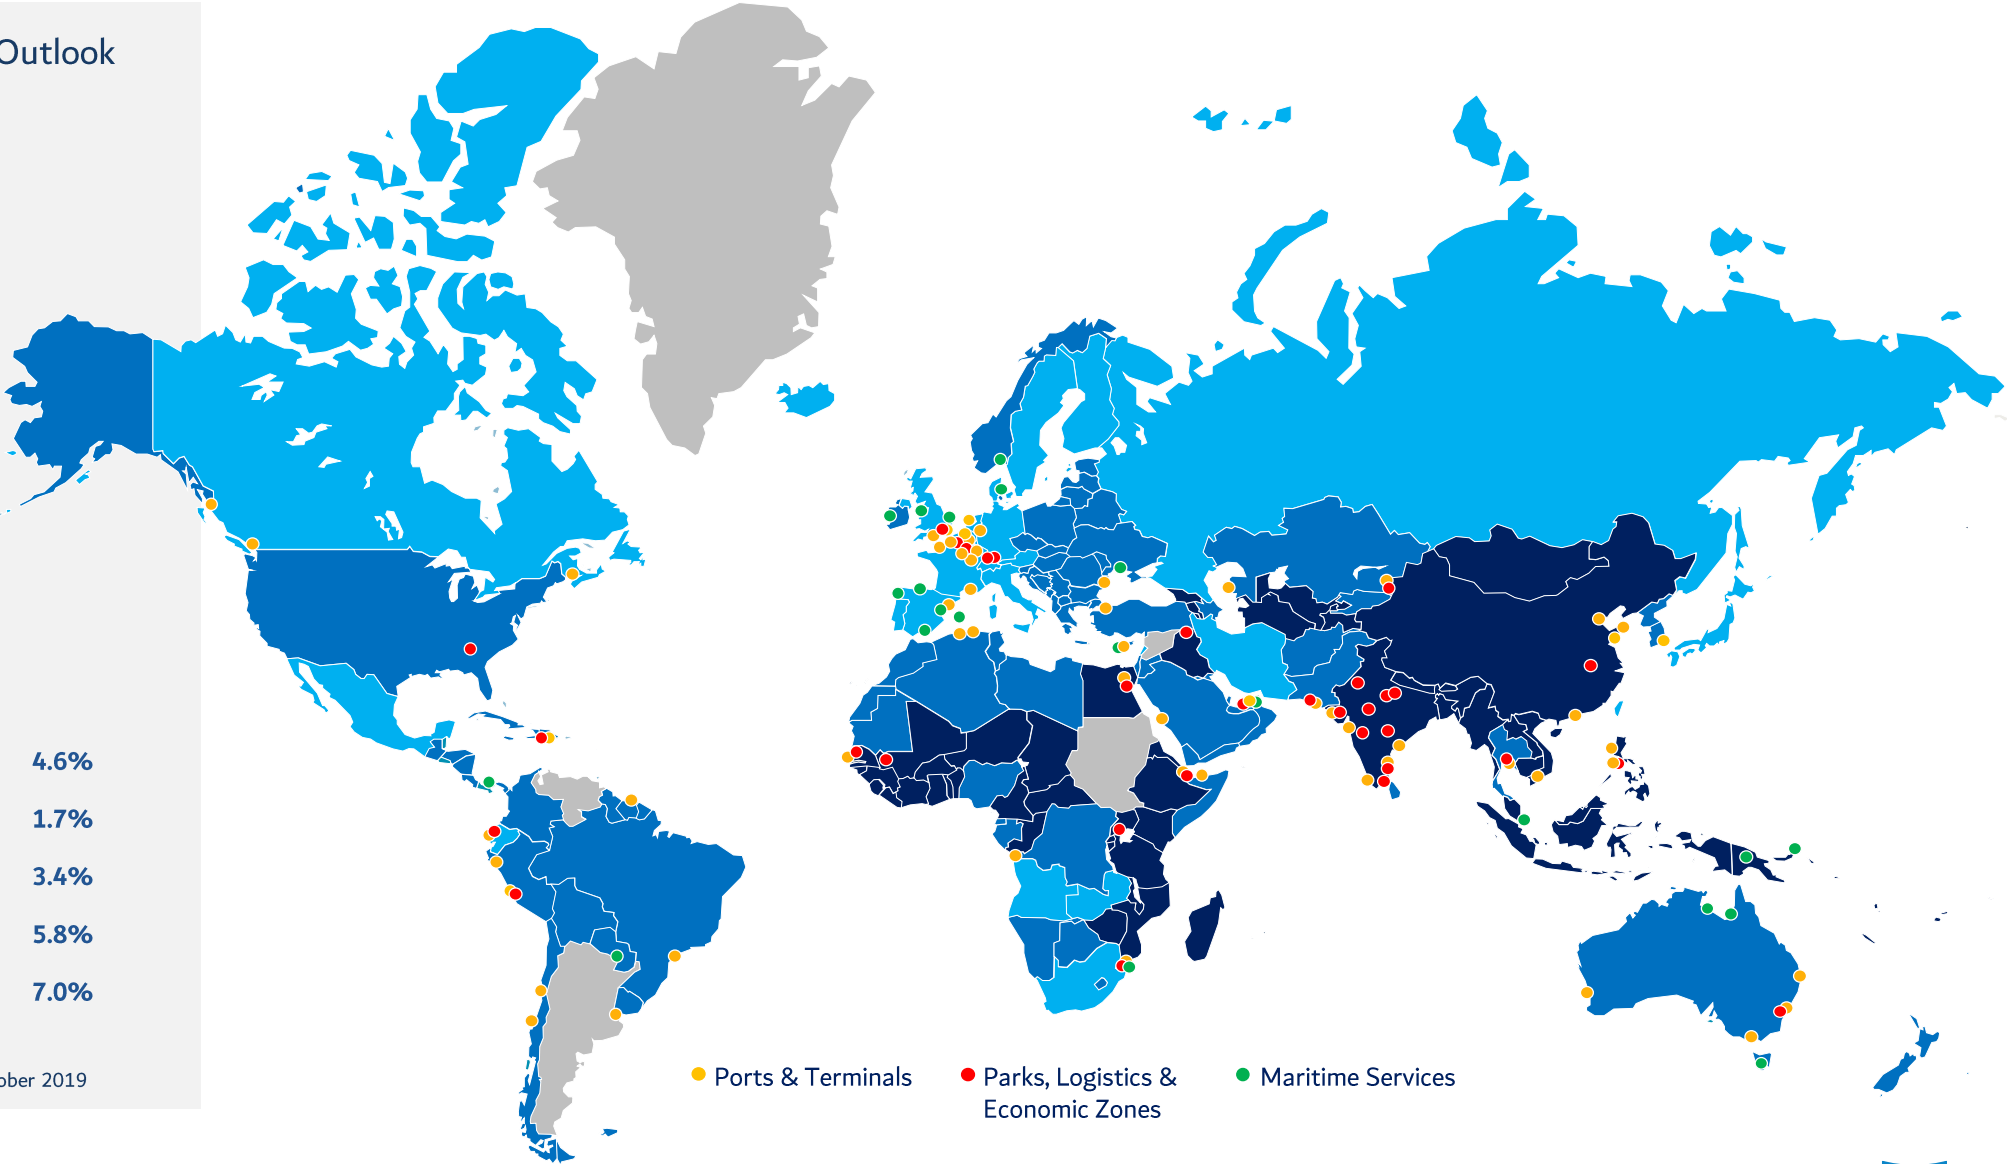

To Lead the Future of World Trade

The future of freight transportation

A more sustainable solution for cargo transport is here.

HOME / SMART TRADE / DP WORLD CARGOSPEED

Introducing DP World Cargospeed

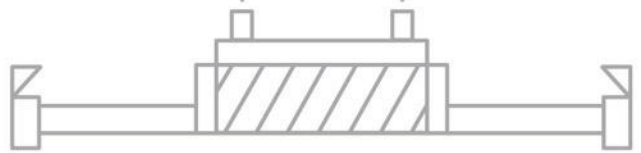

- A **partnership** between DP World and Virgin Hyperloop One
- The **First initiative** of its kind in the world
- Delivering freight at the **speed of flight** and closer to the cost of trucking
- will **transport high-priority**, time-sensitive goods including fresh food, medical supplies, electronics, and more.

1st,
Pune
Mumbai
route

The Future of Container Terminal Storage

- Generates **200 per cent** more capacity than a conventional terminal.
- The idea is to stack up to **11 shipping containers** into vertical columns — about three times the average height currently used
- An **automated system** can then retrieve each without moving any others

Introducing DP World BOXBAY

THANK YOU
