Business Logistics & Services, Lda

Freight Forwarding, Cargo Logistics & Bonded Warehousing

ABOUT US

Business Logistics & Services, Lda was established in Beira on 1st of August, 2013 and is a newly expanded branch office in all over where there is port in Mozambique. We are a new upcoming company in the market with experienced staff in the industry. We are committed to keep a growth pace with the industry especially in Beira where freight forwarding is facing new higher challenges. Now we have expanded our temporary branches in cities with ports namely Maputo, Nampula, Quelimane, Pemba and Vilanculos.

OUR VISION

- It is to be the strongest, most trusted freight forwarder company both nationally and internationally, and to offer global total shipping, freight forwarding, clearing services, heavy haulage and specialized services without country borders.
- To be the most reliable company in the industry.
- To provide the best service to our clients.

OUR MISSION

Keep on expanding our offices in all major ports and borders post of Mozambique and having offices in other countries (Agency) internationally, employing the best workers that are experienced in international and international compliance and customs clearance, acceptable service meets the local and international standards, corporate image, compliance to international standards, management in place so as to avoid any risk of intentional or unintentional damage to our relationships with our clients and provide better services.
