STRAITS OF MALACCA AND SINGAPORE: PORT'S ROLE AS AN ECONOMIC INTEGRATOR

Singapore, Malaysia
grew their economies
their strategic location
Malacca Straits and
that occurred for
Strait

Concurrently, far along the Straits have been more than sites for goods of interaction to different cultures.

The Port of Los Angeles is the region's most important transshipment hub, connecting cargoes between different cultures and different cultures.

...as well as regional roads

...a young person have benefited
from

STRAITS PLAY AN IMPORTANT
CONNECT CARGOES REGIONAL
