CELEBRATING OUR JOURNEY

MARITIME

LUMIC DEVELOPMENT SDN. BHD.

LuMIC
Lumut Maritime Industrial City

LuMIC Lumut Maritime Industrial City

Malaysia's Next Maritime & Industrial Growth Platform

Lumut Maritime Industrial City is a master-planned port and industrial development, strategically positioned along the East Coast of Malaysia — one of the most important economic corridors.

LuMIC integrates port and industrial connectivity into a single platform, serving terminal operators, industrial zones, and logistics hubs.

Global Gateway

Port of Antwerp Bruges

Backed by strong government support and aligned with Malaysia's New Industrial Masterplan, LuMIC offers a rare greenfield opportunity to shape and anchor the next maritime gateway in Southeast Asia.

Investment & Partnership Opportunity

LuMIC presents a rare opportunity to anchor a modern, multi-purpose gateway within an existing industrial ecosystem, combining operational excellence, expansion flexibility, competitive development conditions, and clear early-revenue advantage within an integrated maritime platform.

LuMIC offers flexible entry structures tailored to investor and investor strategies, including:

- Terminal operator investment
- Joint venture development
- Long-term equity participation
- Integrated port-industrial cluster development
- Value-added logistics & warehousing partnerships

Partner With Us

LuMIC invites multi-purpose terminal operators, strategic infrastructure investors and joint development partners to join in shaping Malaysia's next scalable maritime way.

We actively seeking committed partners to secure premier positioning, co-develop the terminal platform and establish a long-term strategic presence within this emerging industrial maritime hub.
