30 SDC INITIATIVES PRIORITISED FOR IMPLEMENTATION

TARGETS TO 2025 & 2030

The successful implementation of the 30 SDC Initiatives under the Strategic Thrusts will contribute towards achieving the national agenda for prosperity, as well as the priorities defined in the Sabah Vision 2030. 14 Indicators and 20 targets have been defined to track outcomes to be achieved over the next 10 years. The targets are applicable across Sabah and are contingent upon the vision and support of the Federal Government, and the various departments and agencies. In addition, 2 indicators are defined to track Sabah's contribution towards the development of the region.

Facilitating Trade and Moving Toward Sustainable Development Goals

OHASEAN

A man in a dark suit and patterned tie stands at a wooden podium on a red-carpeted stage, speaking into a microphone. He is holding a small object, possibly a remote or a phone, in his left hand.

Two other men in suits are seated in armchairs behind the speaker. They are also wearing face masks. A small table in front of them holds several water bottles and a glass.

A man in a dark suit is speaking at a wooden podium on a stage. He is facing right towards the audience. The podium has a microphone and a laptop on it. The stage is decorated with a red carpet and several potted plants in the foreground.

In the background, there is a seating area with orange armchairs and a dark wood coffee table. A person is sitting on one of the chairs. There are water bottles and a laptop on the table. The room has a modern, high-ceilinged interior with recessed lighting.

Man speaking at podium
