LAND MARINE LTD

The Terminal Operator

Land Marine Ltd

Since 1994, Land Marine Limited (LML) – a marine terminal operator – has been the gateway between the outside world and the Seychelles Islands' import/export industry. Despite being a gearless port and perhaps one of the smallest commercial ports in the Indian Ocean, Port Victoria handles a throughput of about 80,000 TEUs per annum. As a result of the increasing demand and supply of the local import/export as well as LML's own pursuit to excellence, a momentous project to expand the commercial port is in the horizon.

Establish the Port Victoria multi-purpose terminal as a valued contributor to the Seychelles economy and to be a profitable port preferred by clients, appreciated by employees, and which responsibly regarding the environment and the community.

productive and efficient port facilitating business ease which is integrated, and fast, offering flexible logistic service solutions types of cargo, with excellent service delivered by trained and competent staff.
