

33RD INTERMODAL AFRICA 2025
BEIRA, MOZAMBIQUE

PRESENTATION BY
TAUTINGE FESTUS

"Think Impossible, Think Pindulo"

Who We Are

Pindulo Logistics stands at the forefront of supply chain innovation, delivering bespoke, client-focused logistics solutions underpinned by our proprietary technologies and deep-rooted regional expertise.

Strategically positioned in Walvis Bay, Namibia, we serve as a pivotal conduit to the SADC region, offering seamless, integrated logistics services adept at navigating the intricacies of regional operations.

Core Values

Derived from our name **PINDULO** which means "Solution Finders" in a variety of African languages

PEOPLE

We value our employees, customers and partners. Investing in people leads to mutual growth and success.

INNOVATION

We create innovative solutions empowered by technology and our constant pursuit of excellence.

NONPAREIL

We are committed to providing superior service and unparalleled quality. We seek to stand out by offering best-in-class services.

DRIVEN

We are a result orientated team, striving for success for ourselves and our stakeholders.

USEFUL

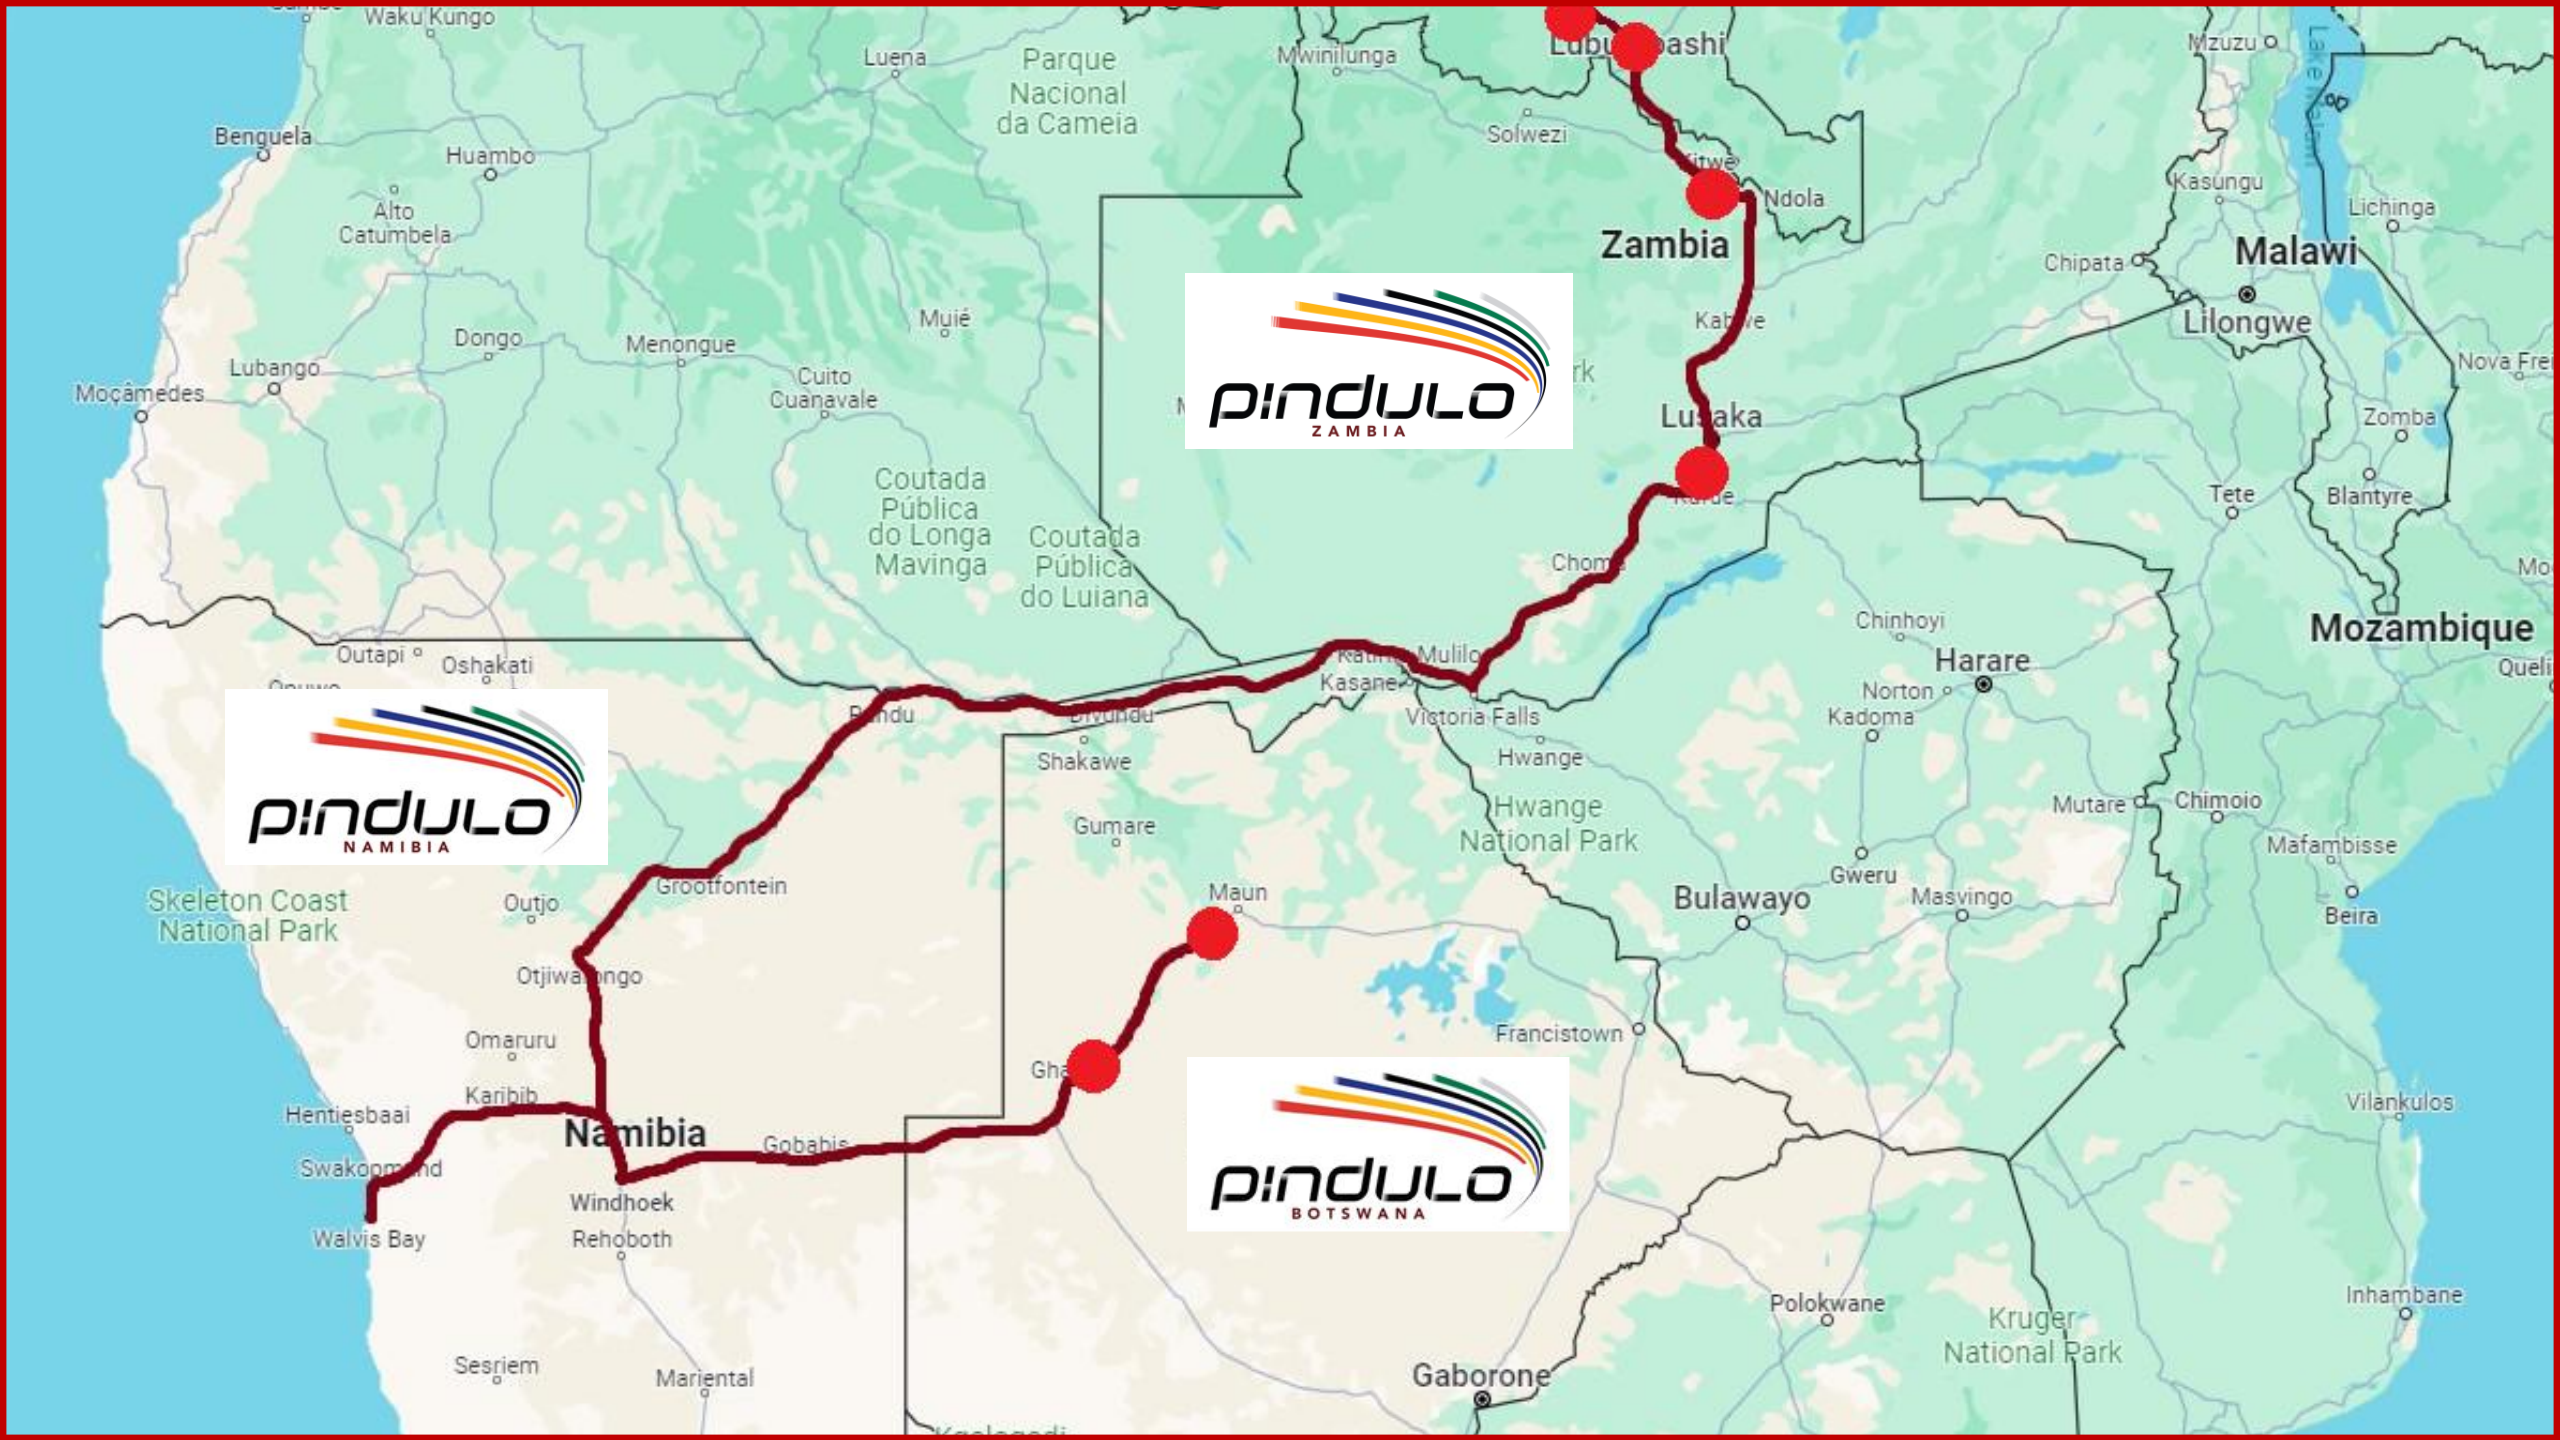

We focus on providing practical, relevant, and useful solutions to our clients. We are committed to adding value to all aspects of your business.

LEADERSHIP

We lead by example, setting high standards for ourselves and inspiring others to do the same.

OWNERSHIP

We take ownership of our work, our customers needs, and our impact in the world.

Port of Walvis Bay Facilities

Walvis Bay Back of Port Facilities
