Who we are

- **Established: 2000** in Misrata, Libya, on the Mediterranean coast.
- **Strategic Advantage:** Prime location in a major maritime transport region.
- **Market Access:** Connects investors to regional and global markets at low cost.
- **Port Facilities:** Hosts Libya's largest and busiest commercial seaport.
- **Investment Environment:** Fully liberalized, free from taxes, customs duties, or restrictions.
- **Vision:** Serves as a gateway to Africa and beyond, offering extensive incentives and services to promote international trade and investment.

Why MFZ is such an attractive place to invest

Full foreign ownership of projects

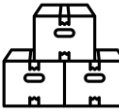

No custom duties, taxes, or hidden charges

No restrictions on transferring profits and capital abroad

No restrictions on local or foreign recruitment

Unrestricted access for goods to the local markets

Access to water, gas and power at highly competitive local rates

Unified management

Simplified administrative procedures through a one-stop service

Supportive investor regulations

Secure and trusted environment for investment.

Modern infrastructure

Strategic Partnership for Port Expansion

MAHA CAPITAL PARTNERS
