TOTAL CARGO HANDLING

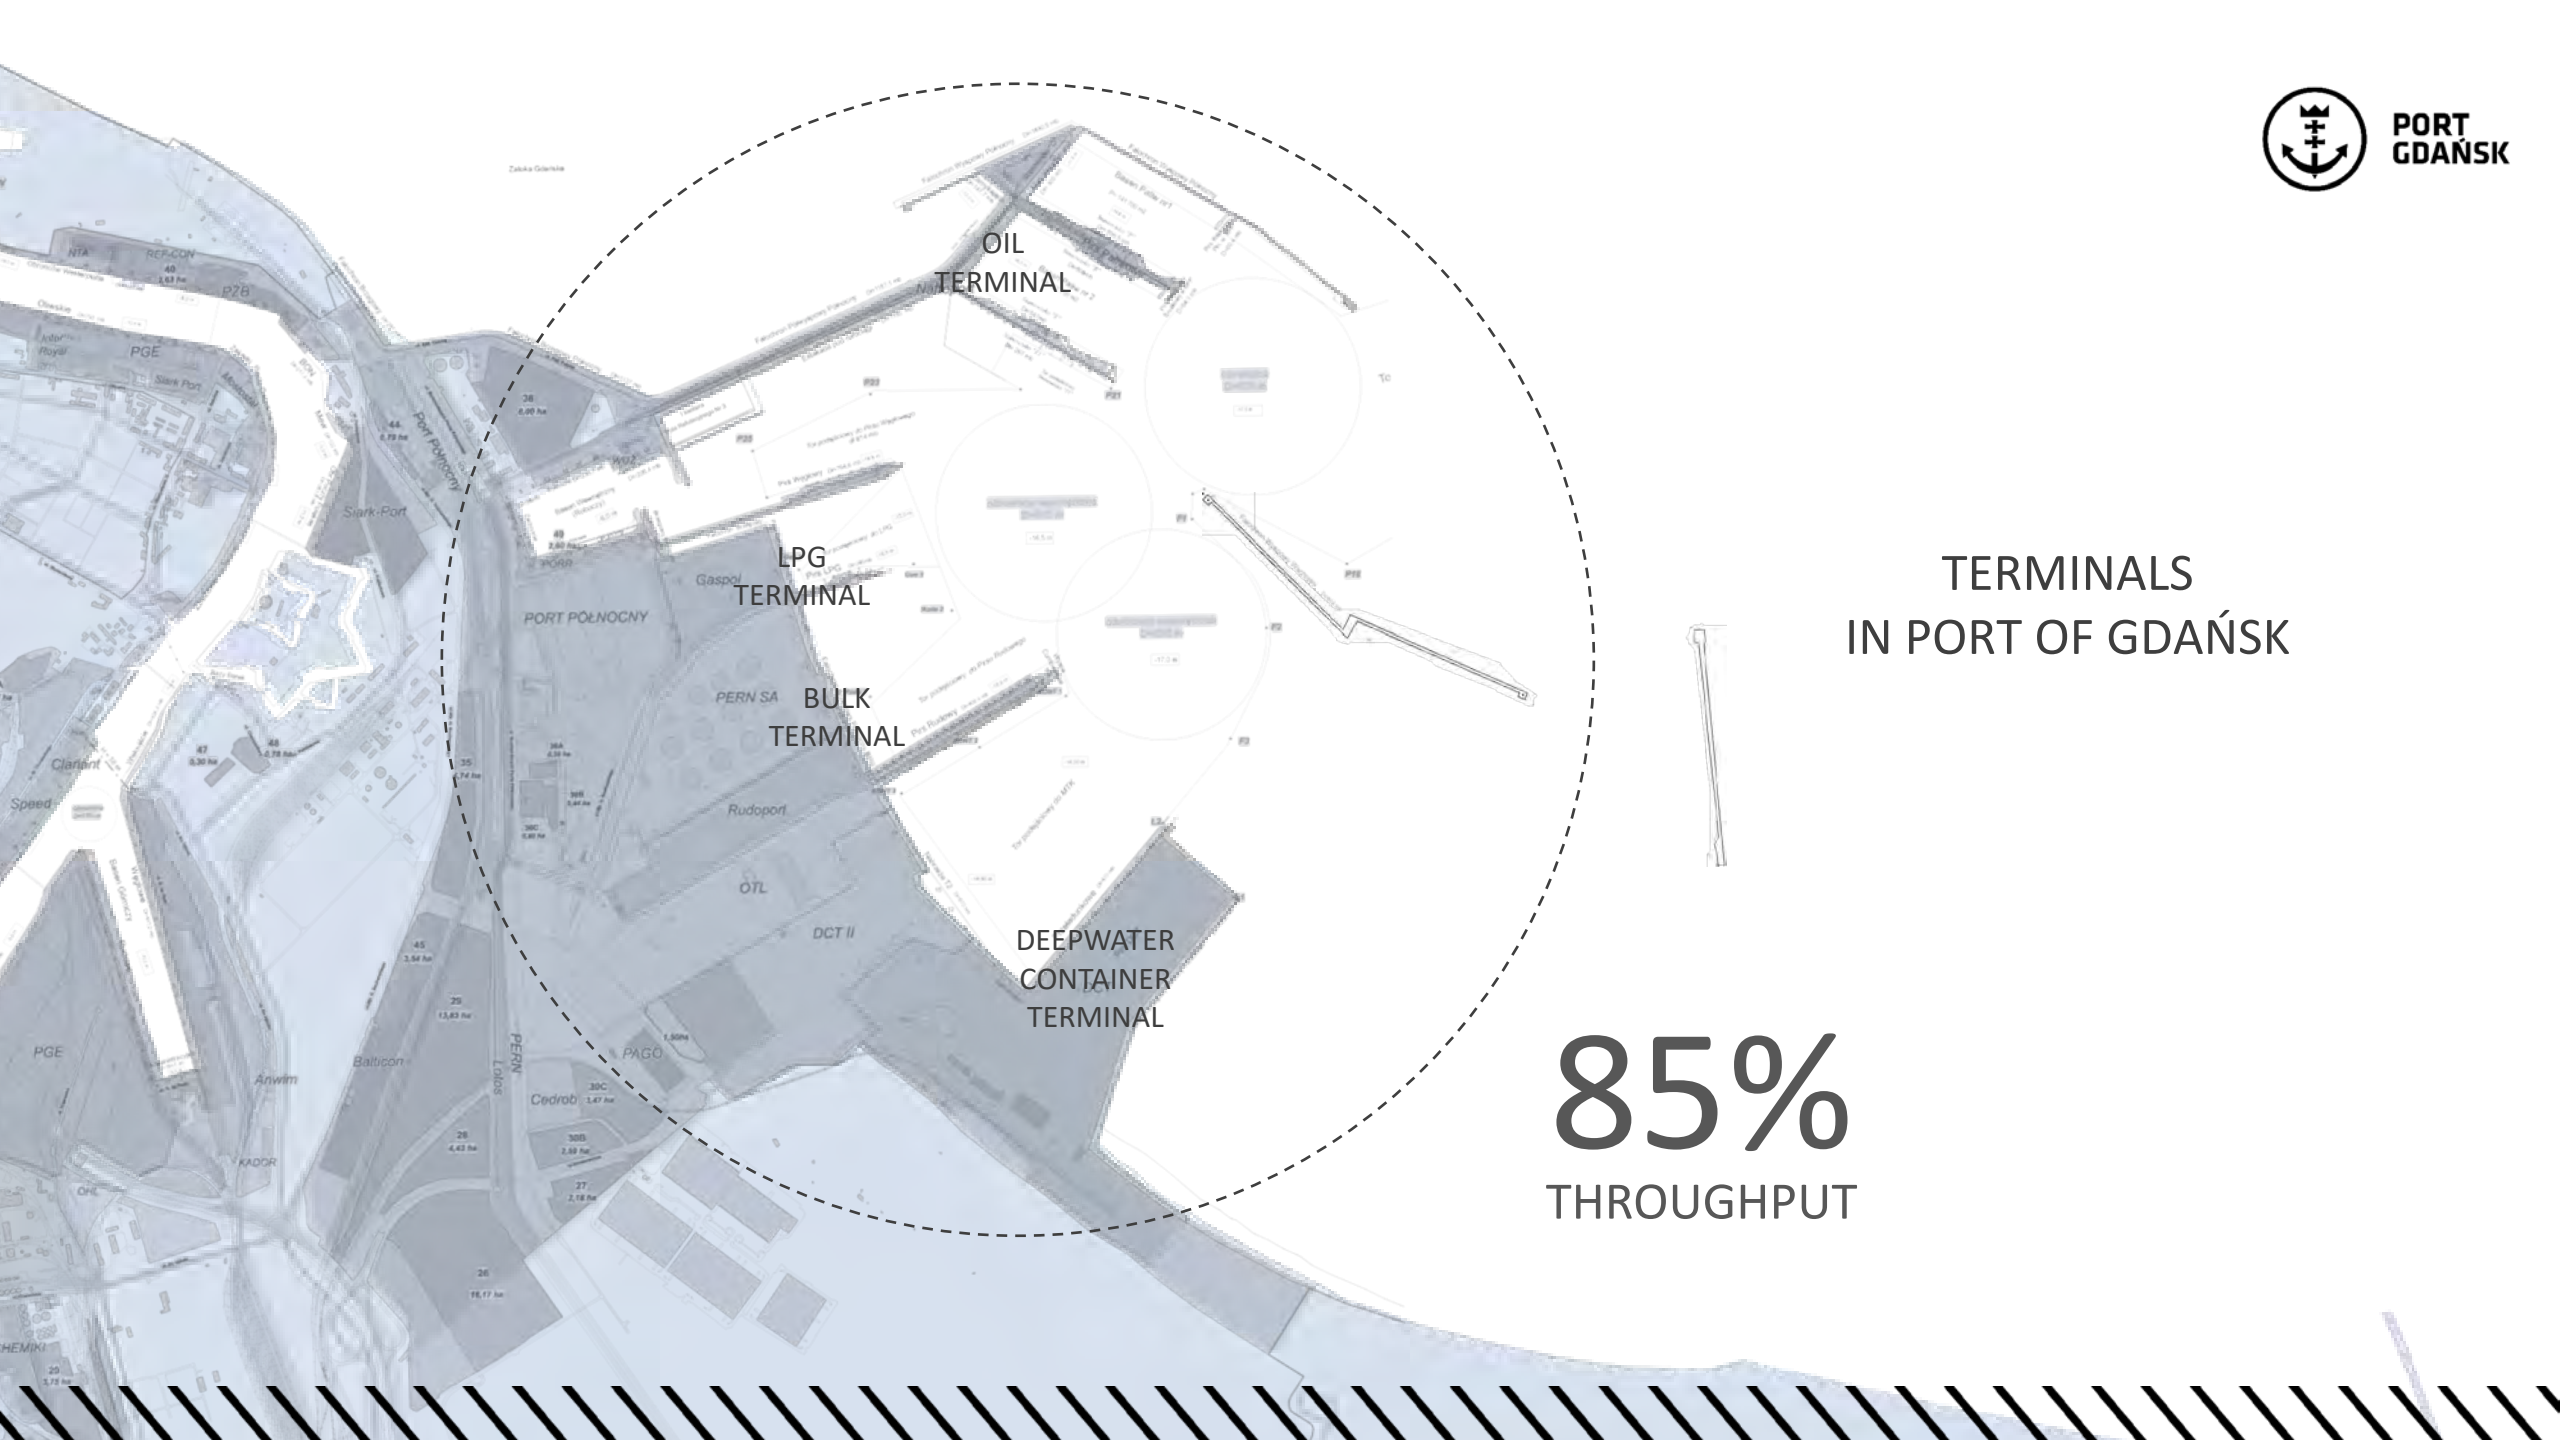

TERMINALS IN PORT OF GDAŃSK

A detailed map of the Port of Gdansk showing various terminals and their locations. A dashed circle highlights a central area containing several key terminals. The map includes labels for different types of cargo handling facilities, such as general cargo, bulk cargo, and specialized terminals for fertilizers and coal. The sea is represented in light blue, and the land area in grey. A hatched pattern is visible at the bottom of the image.
