Emphasising on training development for the human capital to bolster IT usage and process implementation recovery whilst continuously innovating operations:

Success story of Durres Terminal Management

MARINER
ADRIATIC

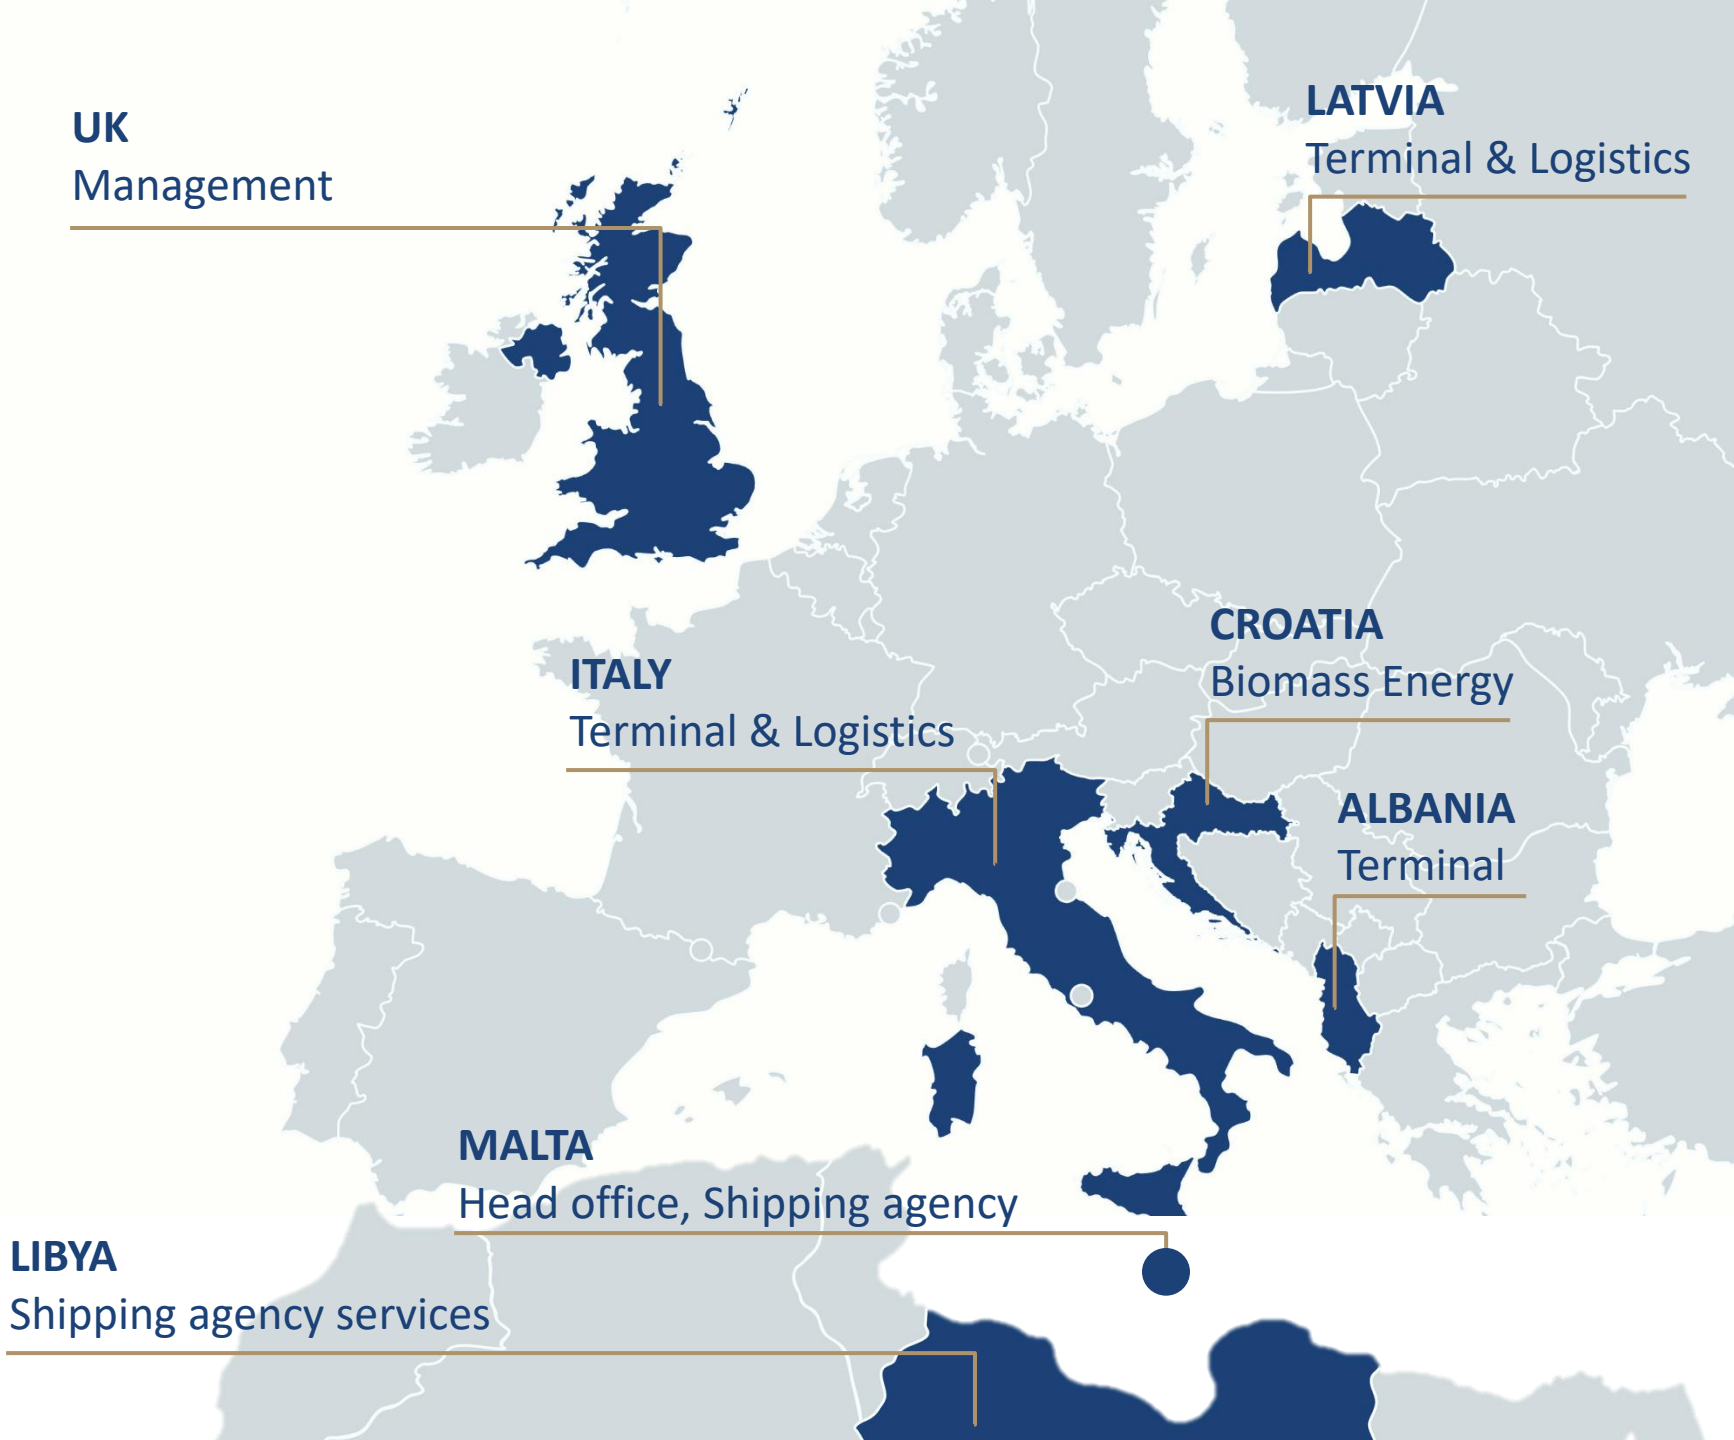
Artis Pugacs

14 years in
ports and logistics

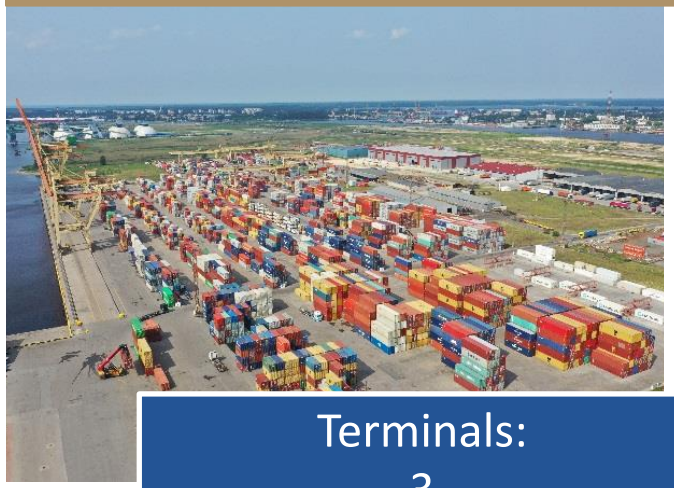
General Manager
of terminal

Master’s in Transport
System Engineering

Operations in 7 countries

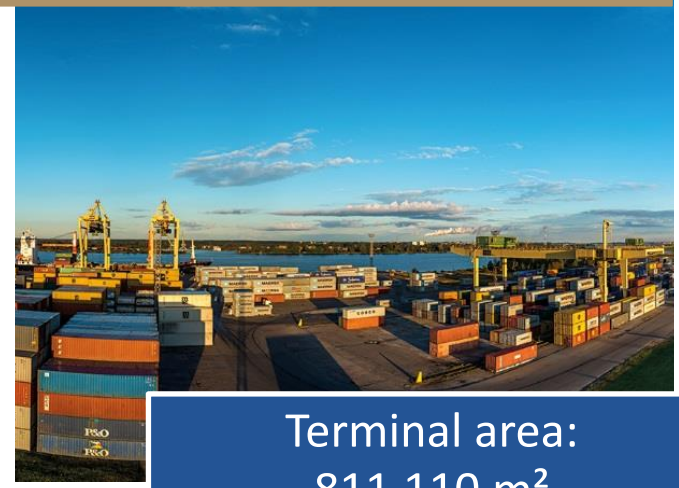


Facts & Figures



Terminals:
3

Containers handled:
>665,000 TEU's



Terminal area:
811,110 m²

Warehouse space:
84,878 m²

Quay length:
2,105 m

Mariner Adriatic – Durres Container Terminal

Starting point
